Right Honourable Sir,

My husband has been appointed and is acting as a Civil Surgeon in Madras - he has authorized me to apply to the India Office for the advance sufficient to cover my fare etc. etc. which will be refunded out of his pay in monthly instalments. I wish to leave by B.T. "Mombassa" on the 15th of April.

I beg that you Right Honourable Sir will answer my application.

Sir,

I am directed by the Secretary of State for India to acknowledge the receipt of your letter of the 13th March and in reply to inform you that an application has already been received from Dr. Illingworth requesting that half of his salary might be paid to you should you apply for it. This request has been so far complied with that you will be allowed to draw the equivalent of Rs.250 a month for three months.

In these circumstances his Lordship is not prepared to advance your fare to India.

March 24th

Right Honourable Sir,

I received a letter last night from the India Office telling me that I can not have my fare paid out to Madras to be refunded out of my husbands salary. I dont know what to do for my husband told me that I should be able to have enough to take me out, on application to the India Office - As that can not be done I beg you Right Honourable Sir to be kind enough to let me have my 3 months half share of my husbands salary in a lump sum so that I may pay my passage to Madras with that. I fear I am giving you a great deal of trouble but as I am absolutely without money you will understand that I am most anxious to go out to my husband as soon as possible.

Hoping that you Right Honourable Sir will answer my application favourably.

I am, &c.,

(Sd) Kathleen Illingworth.
