APRIL.

Forwarding to the Superintendent, Madras Survey, a list showing the names of the Assistant Collectors and Probationary Deputy Collectors deputed for practical training in Survey work in the schools to be held during the year 1898.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—Replies from Collectors to Board's Proceedings, No. 950, dated 2nd April 1898, requesting them to report the names of Assistant Collectors and Probationary Deputy Collectors to be deputed for Survey training during 1898 and the schools to which they might be attached.

RESOLUTION—No. 110, dated 29th April 1898.

A list showing the names of Assistant Collectors and Probationary Deputy Collectors to be deputed for practical training in Survey work during the current year, with particulars of the schools to which it is proposed to attach them, is forwarded to the Superintendent, Madras Survey, with reference to his letter No. 77-B, dated 17th March 1898. The Collectors concerned are requested to relieve the officers named in the list in time to enable them to join the schools on the due dates.

2. The Collectors of Górávari, Kistna and Bellary have not yet submitted their replies to Board's Proceedings, No. 950, dated 2nd April 1898. Mr. P. L. Moore, Assistant Collector, Bellary, can be attached to the Survey school to be opened at that station from the 11th July next. The Survey training of Deputy Collector M.R. Ry. C. Hanumantha Rao Avargal recently transferred from Kistna to Tanjore has been postponed for two years. The Collector of Tanjore will therefore be requested to state whether arrangements can be made to depute him to Cuddalore for the training.

3. The Collector of South Canara states that the Assistant Collector Mr. A. F. G. Moscardi is not anxious to undergo training in Survey this year. The Collector will be referred to paragraph 2 of Board's Proceedings, No. 146, dated 16th April 1896, and informed that in the absence of any valid grounds for the postponement, the Assistant Collector should undergo training during this, the first year of his service. The Superintendent of Madras Survey will be requested to state whether it is possible to arrange for the training of this officer at Cannanore, the head-quarters of No. VI Survey Division.

4. The Collector of Trichinopoly suggests that the Survey school at Cuddalore may be postponed until after the half-yearly examination of unpassed junior Civilians. The Board does not consider that an officer's deputation for Survey training is likely to interfere with his preparation for the half-yearly examination and is therefore not prepared to accept the Collector's suggestion.

5. The Collector of Tinnevely is requested to state whether he proposes to send M.R. Ry. T. Vijiaraghava Chariyar, the Probationary Deputy Collector, recently posted to his district, for Survey training this year.
