1.	M Ry Coonimodu Subba Row Srinivasa Row avergal.	The leader of the local Bar. Has been Government Pleader since 1875 with the approval of successive District Judges and District Magistrates. Bears a very high character and is universally respected. Has always done his work for Government carefully and conscientiously. Has been Municipal Councillor Cuddalore for nearly 27 years and Chairman for about 9 years. Though his work as Chairman has not been marked by energy, he has the distinction of keeping ~~himself~~ aloof from factions and of enjoying the confidence of all parties. He has, by tact, maintained harmony in the Council and is thoroughly trustworthy.
2.	M. R. Ry M. Tillainayagam Pillai, avl, B.A.	Recommended as being the only retired Deputy Collector residing in Cuddalore. Was dismissed on the report of Mr. Thomas in connection with the Tanjore Remission Case, but was, I understand, honourably acquitted & restored. He is said to have borne a [illegible]

	character throughout his service of nearly 33 years. I [illegible] told, I do not know with [illegible]hat truth, that he was the trusted lieutenant of Mr. Wynne at Madura in his enquiries into the case against Mr. P. Ramachendra Row, late of the Statutory Civil Service. I have no personal knowledge of this nominee but am aware that he is held in high esteem local
r. R. Ry. T. Seshachallam Naidu Garu.	Belongs to one of the oldest & most respectable families in the District. Is a large land-owner & manages his property well. Has been long connected with the District Board, the Cuddalore Municipality and the Cuddalore Bench of Magistrates, and devotes a large portion of his time to public duties. Is one of the most punctual members of these bodies and takes an act and intelligent interest in the working.
Hazareth Muhammad Usman Sahib.	Retired Subadar Major, First Madras Cavalry, in receipt of monthly pension of Rs 100. Serv as Native Orderly Officer und Lord Roberts and distinguished himself in the Afghan & Burmese Wars. Was Nativ Orderly Officer under His Royal Highness the Prince of Wales when His Royal Highness visited India. He is now a Member of the Taluq Board Tindivanam. He resides at Meenanur, a Mahommedan Settlement in Tindivanam Taluq and acts as a check on his co-religionists there who are a turbulent lot. A respectable & loyal subject worthy of the honour proposed.
Hazareth Patel Muhammad Mira Merkoyer. (5)	Has been Village Munsiff of Porto Novo for over quarter of a century and is the most respectable Mussalman resident of that place. He was one of the gentlemen recommended by Mr. Garstin in 1876. As he said, he has "the strongest claims of any one in the district on the British Governmen by reason of the length of time his ancestors have served it, one of them in 1691 having received a Captain's Commission to command all the men of a certain caste at Cuddalor and having been one of the Choultry Justices of that perio and his descendants having served the Government faithfully for nearly 200 years." zs.

He fully maintains the tradition of his family.

M.R.Ry Arunáchala Vasanta Krishna Vánádaráya Sakkarayya Bhandariyar, Zemindar of Vittavalam.		Recommended on much the same grounds on which Mr. Garstin recommended his father in 1876. He is the only Zemindar in the District and his ancestors rendered good service to the East India Company. Manages his Estate without complaint. A quiet uninterfering Zemindar, of no ability but representative of a class which is dying out.
Hazareth Muhammad Murad Merkoyer.		Is the leading Mussalman Merchant in the District. Has been Honorary Magistrate of the Cuddalore Bench since 1886. Is also a Municipal Councillor & has served on the Council for several years. Recommended as being one of the very few Mussalman gentlemen in the District who takes an intelligent interest in public affairs.

A. E. Castlestuart Stuart Esquire
Collector of South Arcot,

To

The Chief Secretary
to Government,
Political Dept, Madras.

Sir,

Referring to your telegram of the 3d Instant received by me yesterday requesting me to submit names, for grant of Jubilee certificates, of such as have actually rendered services deserving recognition, I have the honour to enclose a list showing the names of a few prominent Native gentlemen who, I consider, come within the scope of the remarks contained in the Government Orders quoted in the telegram.

2. These orders confine the grant of certificates to (1) highly respected Native land-owners distinguished by

ir kindness to their dependants and
eir loyalty to the State, (2) retired
ative public servants of high charac-
r and (3) Native Gentlemen, not in
e service of Government, who have
istinguished themselves by their ser-
vice on the Municipal and Local
Fund Boards. But if a solitary excep-
tion can be allowed, I would strong-
ly recommend Mr. J. Stahlman, the
head of the Sayer Chowki at Pondicherry.
Though still in the Service of Government,
he is on the eve of retirement. He has
passed the 55th year of his age but
Government was recently pleased to
sanction his retention in Service for
one year more. He has been in charge
of the Pondicherry Sayer Office for the
last 17 years and during all this
time has discharged the delicate
and responsible duties of his Office
with much tact, zeal and ability,
affording satisfaction to all classes of
the community, English and French.
His loyalty to Government is conspi-
cuous as is also [illegible]. He is
a

an Eurasian by birth and this perhaps would be another disqualification under the rules but he is, on the score of his unique services, eminently deserving of the honour now contemplated.

3. The list is, I regret to say, short, but it is difficult to make it longer with due regard to the intructions of Government on account of the paucity in this District of large landed proprietors. On the occasion of the assumption by Her Majesty of the title of Empress of India in 1877, Mr. Garstin was able to submit only half a dozen names (vide his letter No. 59 dated 27th November 1876). Of them, only one survives viz Hazareth Patel Muhammad Mira Merkayer, Village Munsiff of Porto Novo and I have included him in my list.

Sir,

With reference to your telegram No. 398 dated 3rd June 1897 calling for a list of names for grant of certificates on the occasion of the Diamond Jubilee of Her Majesty the Queen Empress, I have the honour to submit two lists with the following remarks:

2. List A contains the names of 11 gentlemen, none of whom should, in my opinion, be omitted on any account. I have ventured to include 3 officials Messrs S. Seshiah, S. A. Saminadier and K. Jagannatha Chettiar.

The

Enclos. No. 2
To
C. No. 2132

The first of these has been a most prominent member and for a long time Chairman of the Kumbakonam Municipality in which capacity he can hardly be regarded as an official. The same consideration applies with still greater force to Mr S. A. Saminadier whose only official position is as Public Prosecutor. The third name is that of Mr R. Ry Jagannatha Chettiar whose inclusion I would most strongly urge as a special case. He is nearing the end of his service, and I fear can never hope for any promotion; while his integrity and devotion to duty have been testified to by every officer he has served under.

3. List B contains the names of 6 other non-official gentlemen whom I would recommend for certificates although I do not think they stand in the same category as those in list A.

4. If desired I can submit a further list of officials well deserving of this distinction; but as the order states that certificates should only be conferred on persons in the public service under very special circumstances, I have not included them in the lists.

I have the honour to be,

SIR,

I have the honor to reply to the Government telegram No. 398 of the 3rd Instant, and the Government order No. 704 Public dated 4th Instant.

2. The only names I can suggest for the grant of certificates are

(1) The Honorable P. Rungiah naidu Garu, who has recently made a gift to the L. F. Board of a building for a dispensary at Tiruvallur, and

(2) M. R. Ry. Mandapati Ramakri na Pantulu Garu, who has

a contribution of Rs 1250 for the construction of inpatient wards for the Saidapet L. F. dispensary.

The necessary particulars are given in the accompanying statement. Both of these gentlemen, however, are residents of Madras and not of this district (altho' they have landed property in this district), and I am not well enough acquainted with them to judge whether they would appreciate the certificate.

3. Of the Zamindars in the district, M. R. Ry. Muthukumaraswami Mudalyar Avargal, B. A., Zamindar of Chunam[illegible], and Mahomed Mahomed Khan Bahadur, Shrotriemdar of Nandiampakkam, might be singled out for the receipt of the certificate, were it not that they have done nothing sufficiently special to be mentioned in the certificate. The former was the largest subscriber in this district to the Indian Famine Charitable Relief Fund, his subscription being Rs 500. I presume, however, that that is not a sufficient ground for the grant of a certificate.

4. I find that in 1876 only one certificate was granted in this district, to a retired Deputy Collector.

Sir,

With reference to G. O. No. 704 Public dated 4th June 1897 and your telegram No. 398 dated 3rd Instant, I have the honor to forward herewith a preliminary list of Gentlemen to whom I consider that Certificates may be given.

2. As I have not been long in this District and as my predecessor did not leave me any notes for use in such Contingencies, I regret that I am may appear so fully aware of the qualifications of various non-official native gentlemen in the District as I might have been with a longer residence amongst them, and hence the list

11. appear somewhat small.

3. Had it not been particularly laid down that Certificates are only to be granted to Non-Official native gentlemen,
12. I should have recommended the grant of the same to

(a). M.R.Ry. Y. Sanjivi Naidu Garu, Deputy Tahsildar of Udayagiri, for long and faithful service in the Agency.

(b). Mr. Thomas Reay, late Jailor (which post he held for very many years) at the Hill Jail, Russelkonda.

4. I have included the Rajah of Parlakimedi and the Zemindar of Kallikote and Atagada, though I think that it may possibly be the intention of Government not to grant these Certificates to native noblemen of their rank.

5. The order under reference states nothing about holding a formal Durbar, and I am of opinion that having reference to the state of the season in this Distri such a function would not be desirab or in accordance with the notification published in Fort Saint George Gaze with reference to the holidays grante on this occasion. It would certainly cause grave inconvenience to myself in the work of Famine Inspection, nor could such a Durbar be conveniently arranged for at this date.

The Collector of Ganjam was told (vide telegram below R) to be particularly careful to ascertain whether his nominees, numbers 1 and 2 ([illegible]) would not resent the gift of a certificate. In reply he states Parlakimidi will value it but that the Zamindar of Kallikota will "apparently not". This Zamindar has already sent a congratulatory telegram which was repeated to India and an address enclosed in a silver cylinder (which is going H.E. the Governor for approval).
It is submitted that all that is necessary P.T.O

Sir,

with reference to G. O. No 704 of 4th June 97. I have the honour to report on the granting of certificates to native gentlemen of distinction.

2. I am quite new to the District and so is Mr Cumming the only European Divisional Officer. So I thought it better to consult Mr Atkinson the permanent Collector now in Madras. I enclose a Copy of the list furnished by him with his remarks in original together with further particulars where necessary. Personally I think Mr Atkinson's list for

too comprehensive. In 1877 the occasion of the Queen Empress' proclamation only certificates were given in this District to the following gentlemen.

1. The Nuzvid Zemindar
2. The Muktyala Zemindar
3. The Sattenapalle Zemindar
4. The [illegible] Zemindar.
5. Makarla Venkataswami Nayudu Garu
6. Singaraju Venkata Subbarayadu Garu Bdr.
7. Vadlamannati Damodarayya Garu
8. Ayenki Venkata Subbarayadu Garu
9. Tata Srinivasa Charlu Garu.
10. Majeti Nagabhushanam Garu
11. Aga Mirza Abbas Saheb Kerman

3. I request that Government will make selections from Mr Atkinson's list to which I do not think it necessary to make additions, and to wire to me the numbers in the list so selected so that I may be able to distribute the certificates at the Durbar to be held ~~here~~ at Bezwada on the 22nd instant. I may mention that

I have not yet received the certificates. In my opinion the following numbers in the list should in any case be given certificates 1. 6. 7. 11. 12. 13. 15. 16. 23. 24. & 26

I regret not having been able to reply before as I had to consult Mr Atkinson, & for the last three days have been busy consulting on famine preparations with the Settlement Commission & the Chief Engineer. I request that a reply by wire may be sent to me at Bezwada.

Mr Atkinson's list	Further particulars where needed
8. The Chairman of Kollur Union whose name I forget	Name not available at such short notice but will be ascertained
9. Chairman of Pamarru Union who is also karnam of the village. Note, the karnam may have vacated the chairmanship; anyway the karnam is the nominee.	His name is Karlapati Venkatachellam Gar
10. Gudivada Perayya of Bezwada, a wealthy komati, who tries to be public spirited according to his lights.	
11. *S(?) Mallikharjanarow, former chairman of Guntur	* Tadepalli Mallikharjanarao Chairman for 7 years.
12. A. Pundarikakshudu, vice President, District Board.	The leading vakil of Masulipatam attends to court of ward suits
13. P. Venkatachayya, late Government pleader, who has done much good work for Government.	
14. A. Bhavanachari former Chairman of Guntur. I am doubtful about him. Hammett ordered his prosecution for perjury. He was discharged but Hammett maintained strongly that he was guilty and quite likely Hammett was right.	
15. A man of Ibrampatnam, timber merchant (whose name I forget), who saved a lot of lives in the floods of August 1896. Vernacular Head Clerk can give his name.	* Mallela Venkatasubbayya
16. Another man of Pesarlanka, Repalle Taluk, who also saved lives.	Gorraparti Subbayya
17. Mazumdar Venkata Krishna Row(?) of Chilakalurpett. I am not sure of his name but only of the title mazumdar and residence.	His name is Mazumdar Narasimharow. I don't know why recommended
18. Karnam of Karamchedu, Bapatla Taluk; for many years a member of Taluk & District Boards, a worthy constitutional man.	Ravula Venkata Subbayya.
19. A wealthy nayudu of the same village, also for long and now also I think a District Board member.	Jagarlamudi Chowdari Nayudu.

Mr. Atkinson's list	Further particulars where necessary
20. The village munsiff of Kondapalli, a Mahammadan who has done well for Government and the public.	Shaik Oomaner
21. Safder Hussein of Bezwada. He is a pensioned Police Inspector and perhaps not entitled.	
22. Shumshuddin of Bezwada, also pensioner, late [illegible] Supervisor.	
23. Shum-sud Daulah younger brother of Nawab of [illegible].	
24. Sulaiman Ali Khan eldest son of the Nawab. I do not know if these two will care for the certificate.	
25. C. Mahammad Khasim pensioned Sub Engineer living in Bunder.	
26. V. V. SubbaRow Secretary to the Kistna District Association. This is a branch of the Congress but I have always maintained cordial relations and to this I attribute it that resettlement in Kistna has not excited the wild hubbub it has in Godavari. V. V. SubbaRow is a very pleasant fellow and has	

Mr. Atkinson's list	Further particulars where necessary
given me much help; even when we have differed, we have done so in a friendly way though I have never hesitated to denounce congress ways and propaganda strongly.	
27. 28. & 29. I think you might ~~[illegible]~~ recommend the three Muhammadan Vakils as you will be short of Muhammadans.	Names not known in my camp but will be ascertained
30. I think you might add Mr. Azim Ali Khan, former manager of the Municipality. He came rather to grief, but he is a nice fellow, of good family and well educated.

From Collector, Godavari
To Madras.
D/. 30 6. 97

Your telegram 467 20th. I respectfully solicit reconsideration regarding number eleven who is rajput. Kshatrias generally poor almost only wealthy man is Zemindar of Kottam but he miser. My nominee comparatively poor but by adoption representative of old Peddapur zemindars and universally respected by community as upright honorable man of the best blood being related Vizianagram. Community generally going down hill but still influential and proud though being ousted from lands and position by banians brahmins and Kapus (?). Owing to Extravagance on marriages and love of display and lordly mansions they have with few exceptions now no means to shine as public benefactors, but it would be mistake to leave whole community without recognition in my opinion. Cannot my nominee be given certificate as long-standing member district board? Has been member many years. There is no other rajput I can recommend and compliment to him more than any other would be regarded as compliment to community

My dear [illegible]

On the matter referred to in your D.O. of 9th inst I have to say that Joseph Saliya Nadar's name was put forward as he was a Roman Catholic, well educated, Advocate of the High Court. He is an M.A., & B.L.

NOTE FOR THE CHIEF SECRETARY.

Submitted for orders as to whether no 10 on the Madras list should be granted a certificate, and if so what should be entered in it.
By G.O. no 826 Pub d. 25/6/97 the Collector was permitted to nominate the names of the persons to whom certificates need be granted.

AK.
17/8/97

The draftsman here is so slow and unsatisfactory that it is proposed to send the remaining certificates to Madras to be written.

AK.
17/8/97

I cannot give a certificate as there are no services which can be stated in it. I have written a d.o. to Mr. Thomson. He may perhaps be able to settle the matter.
As regards writing the certificates the C.S. may make what arrangements he sees fit subject to the certificates being neatly and correctly written. It would perhaps be a good plan to have the entries in the certificates written lightly in pencil first they being after approval by C.S. inked in. This I should think would minimise the risk of error.

D.O. despatched vide copy put up.

My dear Thomson,

Yours of the 11th instan
I am sorry that you cannot fi
any service for which Sathyana
dan can be given a certificate
To give one without specifyin
in it some service is contrary t
the orders of the Govt of India.
I when including his name migh
have made a mistake. I had some
hundreds of names sent up and
had to make the selections in a
hurry as the list generally
speaking did not come in unti
the last moment. indeed I had
to work at them during the greate
part of the Jubilee holidays
and as regards Madras in particula
there was more than usual trouble.
If the Collr. had not been permitte
to make the names public there
would not have been any difficulty
but he was told that he might
make them known and probably
did. Do you think that you
could manage without hurting
Sathyanadans feelings to convey
to him that there was a mistake

1

in his case and that as a certificate cannot under the orders of the Government of India be granted except for a specific service or services to the state it has been found impossible to grant him one? Being a man educated to a high standard - so high that he probably holds a certificate somewhat in contempt he may perhaps understand the position and accept it as correct & just.

I must when marking off the persons to whom certificates were to be granted have put opposite his name the mark of assent when intending to write that of dissent. I knocked out both in Madras and elsewhere very many cases which were similar to Sathyanadans and can only attribute the mistake in his case to a slip of the pen.

Yours sincerely

The claims of the Zamindar of Vettavalam for a Jubilee certificate

Camp, [illegible]

CHIEF SECRETARY
23 AUG. 1897
GOVERNMENT OF MADRAS

21st August 1897

My dear Price,

In reply to your D.O. of the 9th inst. regarding the claims of the Zemindar of Vettavalam to receive a Jubilee Certificate I would refer you to my letter No. 1546/Ver dated 25 July 1897 on which Govt passed its order – G.O. No 1057 of 7 August 1897. His chief claims are that he is the only ancient zemindar in this district; he manages his Estate well; behaves well towards his ryots; does not sue them – is a kind landlord; is very loyal, keeps aloof from Congress meetings & has no sympathy with latter day sedition mongers. I hope therefore that you will send me the Jubilee Certificate for him, otherwise I shall be placed in a very awkward position - for on the strength of your telegram dated 20th June which ran:-

"464. Yours of fifth instant. Jubilee Certificate nominees accepted. Omit Stahlmann. Certificates will follow. Before bestowing certificates ascertain as quietly as you can whether recipients will value them"

I announced at the Durbar I held on 22nd June the names of the men selected including the zemindar who was present & was greatly gratified. You will remember G. telegram of 12th June which ran:

"438. Government India approves of certificates being delivered at Durbars" - which was followed on 17th June with G. telegram:

"464. Refer my telegram 438 twelfth instant. Govt. leaves to discretion Collector to hold Durbar or

treats his ryots kindly, does not pauperize & rack-rent his tenants, does not ruin them by litigation & who is loyal to Govt. & his Sovereign has a good claim to be considered as having rendered good services to the country - especially in these times of sedition.

I sincerely hope therefore that the Certificate will be granted - otherwise Govt. will put me in a very awkward position as already stated. If all the Certificates could be sent soon I should be glad - Bis dat qui cito dat.

This came too late to alter arrangements for the Durbar which I had made. Invitations had been issued & the Durbar was a great success – it wd. be impossible now. I think it to withhold the Certificate from the Zemindar as I announced at the Durbar that he was one of the recipients, on the faith of yr. telegram of the 10th stating that, with the exception of Stahlman, my nominees had been accepted.

Sir,

With reference to Circular Memo, Public Department, No 1618 dated the 31st ultimo, I have the honor to note below such information regarding the proposed recipients of jubilee Certificates therein Specified as has been collected:—

The father's name of

No 18 is Luxuminarayanacharya of Punarur

" 27 is not ascertainable, the Swami in question and his retinue being reported to be on tour and the

Swami's parentage being locally unknown, as he seems to be a resident of some place near Kolapur in the Bombay Presidency. In documents registered in his name the Swami aforesaid is reported to be described as the disciple of "Lalitha Kirthi Bhataraka" which latter appears to be the name given to each successor to the Jain Mhatt at Karkal whereof N·27 above referred to is the present holder. I think therefore that there can be no objection to his being so described in the proposed certificate.

N·28 who is the Head of the Jain Mhatt at Mudbidri is reported to be unwilling to give the name either of his father, or of his maternal uncle, as in his case also it is customary to describe him as the disciple of "Charukirthi Panditacharya varya Swami" which appears to be the name given to each successor to the Jain Mhatt at Mudbidri whereof N·28 is the present Head. N·28 also may therefore be described as above.

Information as to the father's name and occupation of N·12 will be submitted as soon as it is received. If, however, the matter will not admit of delay, the (N·12)

may be described as "landholder
and the mother of the late Dharma-
pála Heggade of Dharmastala"
who was the well-known Head
of the temple at Dharmastala.

N. 19 is a pensioned public servant
and a landholder.

" 22 is a landholder and a
merchant.

" 30 is a landholder.

The house name of N. 30 is Chandare
Median vidu.

I have the honor to be

Your most obt. Servant

Mr. Thompson is right and the Revenue Officer should have been omitted.

The note for C.S. in G.O. No 826 d 29-6-97 shows that when Mr Atkinson was wired and suggested the omission of no 12 the lists were in Madras. By the time the lists were received the G.O. had gone to Madras for "talling" and thus the failure to make the necessary alteration with the lists - which is regretted.

SUBJECT.

List of persons recommended for Jubilee certificates

FOR ORDERS.

The lists of persons recommended by Collectors for Jubilee certificates received up to date are submitted for orders.

To save time the original lists are submitted arranged in alphabetical order of district. Blank sheets have been added for remarks.

South Arcot. In this list is included a Govt official Mr. T. Stahlman, the head of the Sawyer Chowki at Pondicherry. He is on the eve of retirement. Attention is solicited to the Collector's letter ( )x especially para 2

The Chief Sec. knows these gentlemen [illegible] all about them. I do not. I am willing to accept Mr. Price's recommendations, subject to the following remarks:—

(1) The certificate [illegible] not be given to a man [illegible] himself too big for it, or [illegible] Collectors should [illegible] on this point.

(2) [illegible] the condition of actual service [illegible] recognition of Govt., [illegible] should not be [illegible]

(3) [illegible]

Yes — See also remarks below

H.B.
17/6/97

X ~~He~~. He is neither a non official nor a native gentleman and therefore does not fall within the conditions stated in Indian letter

Bellary. The Collector asks to be informed by telegram whether his nominations are accepted, so that he may give them timely notice. It is submitted that replies to all will have to be by telegram

Malabar The list from the Sub Collector is to follow ([illegible])

Salem Attention is solicited to the D. Os. from Mr Mounsey. Enquiries are being made (confidentially) as to fathers' names

Tanjore. The Collector submits (   ) two lists. List A contains the names of 11 gentlemen none of whom in the Collector's opinion should be omitted. It includes 3 officials vide letter flagged

The file containing India's reply (Nos 2157 & 2158) about the signing of certificates is now in circ. It is submitted that if the lists are approved orders may be issued accordingly to Collectors. Otherwise there will be no time to issue the certificates.

List

List B contains the names of 6 other non officials whom the Collr recommends but does not consider fit to rank in the same category as those at A. The Collector is prepared to submit a further list of officials if Govt so orders. Please see paras 3 & 4

With ref to para 2 at of letter from the Collr of Kurnool, it is submitted that several lists don't contain fathers' names and that therefore the Collectors should be requested to fill these in before delivering. It is too late now to await further information.

This matter has been so rushed that it is impossible to do anything satisfactory. India did not give us sufficient time or anything approaching it.

The only thing which under these circumstances seems possible is to accept the proposals of Collectors generally, striking out any names which should obviously not appear in the list.

The grounds for recommendations – or rather the statements of services for which certificates should be granted – made by Collrs. are in many ~~cases~~ instances practically "for being a good boy". Here and there there are exceptions but most of the cases are to my mind of this class. However I know that by many certificates given in 1877 rested on no wider basis than this. I suppose that this Govt. is expected – even with the four and twenty hours notice that it has had – to give some certificates and if it does it must largely depend upon what Collectors say. Men who ought to have had certificates will probably be left out and those who ought not will get them and there will be heartburnings and jealousy over the business but this cannot be helped.

I submit the following remarks on the various lists: where I make none I have no objections to raise to the Collector's recommendations.

North Arcot

No. (1) & (2). I doubt whether either of these Inspectors, the senior of whom I know and who is so good a man in style [illegible] character a

I agree – The same may be said of Rangundi, who is a good young fellow – He was a good [illegible] amongst the landed [illegible] of this Presidency and who I know aspires to the hereditary title of Rajah would care to have a certificate of the nature of that proposed. I am not at all sure that they would not, unless it was accompanied by something else, be inclined to regard it as the reverse of an honour as it would class them with: 2nd, [illegible] Councillors ~~[illegible]~~

The only objection that I have to draw to the names given in the list is stated in the other paragraph of the Note [illegible] of the Office. I consider that however ~~[illegible]~~ [illegible] names should have been ~~they~~ [illegible] struck out.

No. 8. I don't see that this individual has rendered any services to Govt. or to the public. His [illegible] being respected and commanding considerable influence in Sandur seems no reason for giving him a certificate. The only ground that could do this was his having had the confidence of successive Pol. Agents and I do not think that enough. The administration of Sandur since has been a model or anything approaching it.

No. (1) & (2). These are good bona fide cases.

No. (13) & (14). The services of these two especially the former

the Ch. of W. and [illegible] pretty well. Both are rather men for C.I.E. Arni at anytime [illegible] a bit older

BS

South Arct.

Bellary

do not appear to have been very [illegible]: they must however be [illegible] and the rest of [illegible] to whom certificates are issued?

No. (15) & 18. These ~~[illegible]~~ are cases of [illegible]?

No. (17). The services of this individual do not appear to have been very striking but they may perhaps be considered sufficient to warrant his inclusion in the certificate list.

Godavari

No. (4). I do not consider the remark made opposite the name of this individual warrant the issue of a certificate.

No. (7). This individual not being a native gentleman is not eligible for a certificate.

Nos. 8, (9), (10), (11) & (12) & (13). It seems doubtful whether the grounds assigned in any of these cases is sufficient. However No. 8 is a Rajah and No. 9 is said to have been liberal in the way of public charities. "Loyalty" which is the ground ~~assigned~~ specified in the case of Nos. (10) & (11) can hardly be ~~[illegible]~~ twisted into public services and the two gentlemen whom these numbers represent should I consider be struck out. I do not see that Nos. 12 & 13 have rendered any particular services.

No. (14). This seems a rather doubtful case.

No. (15). I do not know what the confidential ~~secret~~ information rendered in this instance was

It must have been in some Revenue matter. All that I know of Syed Abu is that he is said to have done well in the Rumpa Rebellion and that he had at one time not a very good reputation.

Kurnool

There is in the list from this district not a single case in which I consider the grounds assigned for recommending the grant of a certificate sufficient. This may perhaps be the result of the brevity of the Collector's remarks and "public charity" may mean a good deal, but I don't think that the interest which he takes in "local fund matters" is any sufficient ground for giving No. (12) a certificate: so in the cases where remarks of a similar nature have been made.

Madras

Col. Moore has been written to ~~[illegible]~~ but I have not yet had his reply.

The list sent up by the Collr. contains the names of several gentlemen who I feel sure would hardly regard a certificate as an ~~compliment~~ honour, if even as a compliment. No. (1) (2) (3) (9) (10) (12) (13) (14) (15) (18) (19) (21) (22) 25 & (26) are cases of this kind: I know several of ~~the gentlemen~~ and am perfectly certain as to what their sentiments

on the subject would be.

No. (4) (6) (7) & (8) would probably not hold certificates in contempt and the reasons assigned for giving them ~~[illegible]~~ here were sufficient.

As for No. (5) I can only think that none of [illegible] a certificate and [illegible] to be [illegible] have one. [illegible] are aware what his character is & he has done no public service.

The reasons advanced for giving certificates to Nos. (9) & (10) are absurd, so is that in the case of No. 11 who is a B.A. and would naturally like to have a certificate.

No. (12) has no doubt in his day done good service but he is not held in [illegible] with Govt. and will probably not [illegible] a certificate.

No. 16 is seeking our honours of which he has as yet got nothing. He would possibly be glad to get a certificate to stick into [illegible]. He it was who wished to send his [illegible] horse to H.R.H. The Duke of York in a [illegible] all [illegible] set with precious stones.

No. (17) seems hardly to have done enough to justify a certificate saying that he cared to have one. Being the Principal of the Pachaiyappa's College and author of various pamphlets is not a public service of any sort or kind. No. 20 Being a distinguished High Court Vakil is also no ground for

for giving ~~all~~ certificates . . .

Malabar

No. (1): This gentleman would I think by no means appreciate a certificate ~~[illegible]~~ I do ~~not~~ consider his position such that what he would possibly regard as an insult should not be offered to him.

No. (2): The grounds for granting a certificate seem hardly sufficient

No. 3. This is a case of "good boy" so are practically Nos (4) and (5)

Nos. 11, 12 and 13 (14 and 18) are of a similar character.

The reason assigned in the case of No. (17) does not appear by any means sufficient

As regards No. 19 his position is such that he could hardly be classed amongst those for whom certificates are intended. Furthermore being the head of the Moplahs and being alleged loyal to Govt. – an allegation which I am inclined to think not altogether correct – and supposing that he would like to have a certificate, not sufficient ground for giving one. He has done no act of public utility and never exerted himself in any way for the good of his people and there is a blot on his character (I refer to the matter which led to the taking away of the salute)

Nellore

The grounds for recommendation given in the list sent up from this district are exceedingly meagre and in some cases appear to be totally inadequate. E.g. in cases Nos. 4, 7, 8, 9 and 10. In fact there is hardly a single case – if the instructions of the Govt are to be strictly observed – in which a certificate could with propriety be given. However I observe that in 1877 ~~[illegible]~~ certificates were granted on equally ~~[illegible]~~ slight grounds and if one is too particular very few will be given on this occasion.

The only individuals to whom certificates might fairly be given appear to be Nos. (16) (17) (19) (20) and (22) – and even in these cases the services rendered do not ~~appear~~ seem to have been anything very much.

Salem

Nos. (5) (6) and (7). "Kindness to tenants" and being "representative of an ancient family" do not appear valid ground for the grant of a certificate: these are not services. Also the Collr.'s [illegible] of the ancestors of Nos. (5) and (6) is correct.

No. (8). The military services of this gentleman are not stated – even in brief: as he is a Sirdar Bahadur however it may be inferred that he has done something out of the ordinary line and a certificate might fairly be granted in his case.

No. (11). The ground assigned in this case seems hardly enough. I however know this man and he is all that the Collr. says of him.

[illegible] ~~[illegible]~~.
[illegible]

List A

Tanjore

No. (1) (2) & (3). These gentlemen especially the first and last are highly & intellectual educated men. There is no doubt as to the services which they all have rendered, but I doubt whether ~~any of~~ them would regard the grant of a certificate of the nature of that which it is proposed to give as a compliment. No. (2) is a resident of Madras. ~~[illegible]~~ It has struck me that No. (3) might be selected for one of the educational titles (I have forgotten ~~[illegible]~~ what they are) that the G. of I. has enquired about [illegible] on whom to confer this) He is not only a Tamil scholar of note but he has done the translation of Ranga Pillay's diary a very heavy task & done it well.

No. (4) I do not recollect this gentleman having distinguished himself especially as Chairman.

No. (6) The gentleman ~~[illegible]~~ recommended here is still in the Govt. service though about to retire at a very early date. A point might be submitted for consideration of what the Collr. says he sketched in his favour.

[illegible]

List B

No. (1) (3) (4). ~~The~~ grounds of recommendation in these cases appear hardly to warrant the grant of certificates. As to No. (5) the Collr. seems to [illegible] because he is a large [illegible] contractor & he evidently does not think that he would have a certificate.

Tinnevelly

The list sent up from this district consists largely of ~~Municipal~~ Councillors and members of Local Bd. and Hon. Magistrates but there do not seem to be many who have rendered any particular services or are in any way marked. If holding the offices mentioned above without having done anything particularly note ~~[illegible]~~ or merely occupying [illegible] or a founding a chuttram or being a trustee of one be sufficient grounds for giving a certificate the list, I take it, may nearly all be passed without exception. But this it appears to me is not the intention of the G. of I. The names to which these remarks apply have crosses set opposite them.

There are a few recommts. which the mark has not been [illegible] though I am inclined to put a cross against any name in the list. I [illegible] give my reasons in each case.

No. (8). The grounds assigned in this instance might perhaps be regarded though [illegible] nothing [illegible] with services rendered [illegible].

No. (14) This gentleman was Chairman of the Sunday School [illegible] in which [illegible] was being [illegible] interest in female education. This might be considered a sufficient reason for giving him a certificate.

No.(16). The ground assigned here is a very general one but it might be allowed to pass.

No.(22) The grounds of recommendation, seeing the numerous honorary offices which this gentleman fills and which must if he performs the duties involved faithfully be a great tax on his time, might be accepted.

No.(24). This gentleman I happen to have met at Tuticorin where I made some enquiry regarding him. Capt. Baker the Port Officer there told me that he was invaluable in rendering assistance when pearl fishing was going on and of great use in procuring boats and keeping the boatmen in order. He is one of the most influential individuals in the place and is a very smart and well spoken man. He speaks English very well. It is submitted that he may be given a certificate.

No.(25) This gentleman has merely the remark "Chairman of the Municipal Council Tuticorin" opposite his name but having for some years had to deal with municipalities I am aware that he has devoted more than usual attention and trouble to the performance of his duties as Chairman and I believe that he has been really of some use. I submit therefore that he may have

a certificate. He is an influential man.

No.(28). Besides the Govt. [illegible] regarding this gentleman [illegible] is nothing [illegible] accepted. I [illegible] to him.

No.(29). Perhaps the ground given in this case may be accepted. The gentleman referred to no doubt primarily improved the sugar and cotton trade for his own profit but in doing so he must have indirectly improved the condition of the people generally.

Trichinopoly

This is pretty nearly a hopeless list unless the instructions of the G of I are to be interpreted in an exceedingly liberal spirit.

No.(1). The reason or recommendation assigned in this case is utterly absurd.

No.(2), (3) (4) & (5) & (9). It seems doubtful whether the very ~~vague~~ general terms "liberality and public spirit" of which no specified instances are given can be accepted as a sufficient ground for the grant of a certificate. Where this is attributed to a young (see No.1) it certainly cannot I submit be admitted.

No.(7) The gentleman recommended is still in the public service and therefore does not come within the conditions specified by the G of I.

No.(8). Even if the ground assigned was one which could be held to justify the grant of a certificate the gentleman referred to is about the last person to whom I would think of giving one. Mr. Macleod has apparently written in utter ignorance of the Western Palace Jaghiredar's history.

No (10). Of all the Municipalities which have got into hot water Trichinopoly is that which takes the first or nearly the first place. Its Council is now in disgrace for having been grossly negligent in the execution of its ordinary duties and for having deliberately attempted to set at naught orders which Govt. was legally competent to issue. I submit therefore that no member of this Council should have a certificate.

HW

No (11) The grounds for recommendation assigned in this instance are I submit ~~never~~ not admissible

No (12). Services rendered to the Pudukottai State are services neither to the Public nor to Govt.

No (13). Position is no ground for the grant of a certificate and the services rendered as a member of the Dt. Bd. are not stated. I do not remember ever having seen this gentleman's name specially mentioned in any reports.

No (14) The Colr. has omitted to mention that this gentleman is still a Dy. Colr. in the service of Govt. a distinguished He has no doubt done excellent service.

Agree in [illegible]
[illegible]
[illegible]
HW

No (15). This gentleman is another of the Trichinopoly Mul. Commrs.: please see my remarks at No (10).

Vizagapatam

No (2). The grounds assigned in this case seem rather doubtful. Perhaps however distinguished service in the cause of Sanskrit education may be considered a public service.

No (5). The act which forms the ground of recommendation in his case was one of very recent date. It may however be accepted?

No (7). The services in this case are to a private employer and ~~the~~ grant of a certificate therefore appears not to be justifiable.

No 8. This appears to be a case rather for the grant of a literary title than a certificate.

No (10). Two names have in this instance been included in the one case. The ground for recommendation appears to be sufficient

The name of Dewan Bahadur Venkata Rao late Chairman of the Vizagapatam Municipality etc is added with reference to the attached telegram. When the list came up and I ran through it I noticed that his name had been omitted and when telegraphing to the Colr. for the other information given in the telegram asked "what about Venkata Rao".

This gentleman for some years managed the Vizagapatam Muty. the Council of which was composed entirely of natives, in the most [illegible] business and with very great tact and energy. Inspecting officers always spoke of the condition of the Municipality and its affairs and accounts in the highest terms and it was during Ananta Rao's regime the Model Municipality. He was afterwards made a Rao Bahadur; and then a Dy ~~[illegible]~~ (after he relinquished the appt) in consideration of the way in which he had administered the municipality. I have met him and he has more than once written to me private letters. My impression from what I have seen of him is that he would appreciate a certificate. He is singularly deserving of expression of the approval of Govt.

FOR ORDERS.

J.G. 14/12

I wrote d.o. to the Hon'ble Dr Duncan asking him if he could suggest any names for the certificate. I sent him the orders on the subject so he should have known that he should not have sent the names of officials.

I see that the names of those who have already been recommended [illegible] a [illegible] with the D.P.I. in [illegible] in which he [illegible] about the [illegible] of including them in the list of [illegible] & whose certificates might with propriety be used. I now come to the others.

No (2). Was entered in the Lucky list but not without the statements of services now given. It is submitted that the recommendation may be accepted.

Nos (3) (4) (5) (6) & (9). These are officials and therefore ineligible

No 8. This seems a case for a literary title rather than a certificate.

A letter from the Collr. of Chingleput containing his recommendations regarding certificates is also submitted for orders.

No (1) This name has already gone up with the Madras list and has also been mentioned by Col Moore.

With regard to No (2) attention is invited to the Collr's remark at the close of para 2. I do not know the gentleman – at any rate I cannot recollect him.

There are no grounds for the grant of certificates to the Zemindars mentioned. The Collr admits this.

There is one individual whom I know and who was under me for several years in Chingleput who did excellent work and about recommending whom for

The recommendations regarding certificates from Kistna, Madura and Tanjore have just been received and are submitted for orders.

I am not sure that it is wonderful that I should deal x with papers of this sort without submitting them for ~~[illegible]~~ orders. It is a little [illegible] when one does not know any of the individuals and has to deal with the very vague remarks frequently made by Colrs.

be regarded as service warranting the grant of a certificate. It is however politic to conciliate the Bissoyis to which class the man belongs.

No. (9) The ground for recommendation in this case appear rather doubtful. The Kallikota College is not a public institution & the Famine Relief Committee is but a temporary affair.

~~[illegible] (2) & (8) [illegible] grounds for recommendation in these cases are not particularly specific. I hardly think that they are quite enough to justify the granting certificate.~~

In para 3 of his letter the Collr. mentions the public services as being deserving of certificates.

Of these the former (Sj. [illegible] Sahu) appears to be a fitting person upon whom to bestow one. The latter (Mr. Berry the late [illegible] at Russellkonda) is an European and therefore ineligible.

In this case it is practically Mr. Atkinson the late Collr. who makes the recommendations.

I would invite particular attention to Mr. Atkinsons remarks in this case: if Mr. A had stated what help he had received from the gentleman recommended one might have been able to come to some definite conclusion on the certificate question; it is pretty evident that Mr. A wishes that this gentleman should have a certificate & he apparently thinks it politic to give it. NOTE FOR THE Chief Secretary

Now that the question who is to receive a certificate and who not has been decided it is proposed to have the results tabulated. Before however doing this the C.S.'s orders are requested on the following points

(1). Fathers' names have not been given in a great many cases. Some Collectors have been wired to for them. Others propose to fill in them on receipt of certificates. May this be allowed? or should all be reqd to furnish the necessary details, and if so is it necessary that this should be done by wire? It is submitted that this would entail a great deal of expense and that the uniformity in the [illegible]

passed. It will be observed that in some ~~cases~~ cases it is stated that the fathers' names are not available, while in the South Canara list [illegible], mother's brother's name has been given instead of the father's owing very probably to the peculiar marriage relations obtaining in that district.

They can no doubt be obtained by reference to the parties. R.D.

Why should this have been done when in Malabar where the same [illegible] this which is a greater defect the ostensible father's name has been given? R.D.

② The list just up shows that 242 certificate forms will be required - in round numbers say 250. Does the C.S. wish 20 p.c. on this to be allowed? If so 300 forms may be struck.

We shall have to allow for spoiling in writing: blotting in letters &c. Allow whatever margin is thought necessary. 225 would probably be enough R.D.

ORDER THEREON, 21st November 1876, No. 747.

Ordered that the above Circular letter from the Government of India be communicated to all Collectors with instructions to submit with the least possible delay their proposals for giving the fullest effect to the wishes of the Viceroy and Governor-General in Council.

2. The Governor in Council resolves to place Rupees (1,000) one thousand at the disposal of each Collector out of the limited amount assigned by the Government of India, for employment as may be thought best in popular demonstration in honor of the occasion.

3. The Collectors will state what they propose to do in this direction, and will further submit the names of the individuals to whom they propose to present certificates of approved good service, with the grounds for the selection. The Government have applied for fifty copies for use in each District, and if more are likely to be required, intimation should be at once given by telegraph.

To all Collectors.

Circular letter, No. 823, Political, dated 9th December 1876, from the Chief Secretary to Government to all Collectors.

The intention of the Viceroy in directing the bestowal of the certificates referred in G.O., dated 21st November 1876, No. 747, was principally to honor minor chiefs and members of the landed gentry whom circumstances have enabled to render loyal service to the State or who have given their aid gratuitously to useful public works.

2. The first category is more numerous in Northern India than in this Presidency, where there has been a long period of peace, but it will not be difficult in all districts to select a considerable number of land-owners who are highly respected, and are distinguished by their kindness to their dependants and their loyalty to the State. These would be worthy recipients of the honor intended by the Viceroy, and it will be in accordance with His Excellency's wishes to give

certificates to a certain proportion of retired Native public servants of high character and to Native gentlemen not in the service of Government, who have distinguished themselves by their service on the Municipal and Local Fund Boards. Except under very special circumstances it does not seem desirable to confer certificates on persons in the public service, nor does it seem to have been intended that they should be bestowed on other than Native gentlemen.

3. With these remarks for your guidance, the Government are satisfied to leave the matter in your hands, requesting you to submit eventually for transmission to the Goverment of India a complete list of the persons to whom you may have presented certificates. You will speedily telegraph the number of blank forms you require for distribution.

Read—also the following papers :—

From J. P. HEWETT, Esq., C.I.E., Secretary to the Government of India, Home Department (Public), No. 869, dated Simla, the 22nd May 1897, to the Chief Secretary to the Government of Madras.

On the occasion of the assumption of the title of Empress of India by Her Majesty, certificates were granted to non-official native gentlemen of distinction in the attached form, and it appears that similar certificates were given in at least one Province in 1887.

2. The Governor-General in Council thinks that this precedent may be followed in the present year, and His Excellency in Council therefore authorises Local Governments and Administrations to issue such certificates in commemoration of the completion of the 60th year of the reign of Her Majesty the Queen, Empress of India.

3. It is essential that these certificates should be granted with discrimination and be reserved for those who have actually rendered services which deserve recognition by Government and are such as can be distinctly specified in the body of the certificate. And it is also necessary that the number of certificates to be granted should be limited in such a manner as to secure that they shall be properly valued.

Suject to these conditions the Governor-General in Council authorises Local Governments and Administrations to grant certificates in the annexed form on 22nd June next, and to determine the number which shall be distributed in the territories under their control.

ENCLOSURE.

By Command of His Excellency the Viceroy and Governor-General in Council, this certificate is presented in the name of Her Most Gracious Majesty Queen Victoria, Empress of India, to (here enter name, father's name and description) in recognition of his (here enter nature of his services or grounds upon which the certificate is given).

G. O. No. 747, Political, dated 21st November 1876.

Read the following Circular from the Officiating Secretary to the Government of India, Foreign Department, (Political), to the Chief Secretary to Government, dated Simla, 7th October 1876, No. 2299-P.:—

With reference to the announcement of the 18th August and the Viceroy's secret letter on the subject of the Imperial Assemblage, I have the honor, by direction of the Right Honorable the Governor-General in Council, to address you in regard to the measures to be adopted for giving further publicity to Her Majesty's Proclamation.

2. The effect of the announcement at Delhi will necessarily be limited to the assemblage there present, but it is essential to the object in view that the significance of the day should be brought home to the general population. With this view it is the desire of the Viceroy and Governor-General in Council that, on the day of the Imperial Assemblage at Delhi, a Durbar shall be held at the head-quarters of each Division or District throughout British India (excepting Delhi) by the Chief Civil Officer of Government for the purpose of announcing with befitting ceremony the assumption by Her Majesty Victoria of the title of "Empress of India."

3. In requesting that, under the instructions of His Grace the Governor in Council, the necessary orders may be issued, I am desired to state that it is the wish of His Excellency in Council that the notables of each District, such as Jagirdars or Honorary Magistrates, Members of Municipal School, Dispensary, and other Committees, together with the principal citizens and landholders, should be summoned to these Durbars, and that such of the persons above described as may have distinguished themselves by good service and loyalty to the British Government, or may for other reasons be considered worthy of the honor, should be presented with a certificate in the form annexed.

4. These certificates, the cost of which will be defrayed from Imperial revenues, will be prepared upon parchment under the superintendence of this Office, and I am to request that you will report, at the earliest possible date, what number will be required for distribution in the Madras Presidency.

5. Copies of the Queen's Proclamation in English and Urdu, together with memoranda of the remarks which the Government of India wishes to be made upon the occasion, will be sent to the Government of Madras hereafter and should be in due time forwarded, confidentially, in a sealed cover, to the Officers who will hold the Durbar.

6. After the Proclamation has been read in English and Vernacular, an address should be delivered in the sense of the memorandum above referred to by the Officer holding the Durbar, who should then convey to each recipient of the certificate, in suitable terms the acknowledgments of Government for the services rendered by him.

NOTE FOR THE U.S. through S.R.

I have gone through the identification file and marked with black lead pencil the names of those whose fathers' names and residences are not known. Mark x means that the father's name is wanting and mark ? that the residence of the individual should be stated.

In the case of the persons following the Marumakkatayam law in Malabar and S. Canara it is submitted that the house name instead of the father's name may be put in. The practice as regards the insertion of the parentage in legal documents varies very much in different parts of Malabar. In some places the father's, in others the mother's and in certain parts the uncle's name is given. As however every Marumakkatayam man has a distinct house name it is advisable to mention just before the name of the recipient of the certificate, the name of his house. ~~For instance, M.R.Ry O. Chandu [illegible] may be called M.R.Ry [illegible] Chandu Menon [illegible] without necessity to mention his father's name after his own name.~~

It is submitted that after obtaining all the necessary information some one should write out in pencil all the certificates for approval before they are engrossed on the parchment. This course would obviate the necessity for making corrections in the parchment afterwards.

orders are requested as to this point, viz Whether India's request that a description should be inserted is to be taken as meaning that a man's occupation is to be mentioned, or whether referring to him as A of B is sufficient.

I am afraid that it must be given thus "A. merchant son of B." The great rule but I don't see how we can get out of it as India has apparently insisted on a description.

NOTE FOR THE C.S.

Please see the referencer's note below.

In order to make the certificates absolutely complete it is proposed to describe each man as "A, son of B, of (name of his town)" & to leave out such descriptions as "Merchant", "Sowcar" &c "retired munsiff" &c.

With regard to the fathers' names it is submitted that in the case of the Marumakkatayam families of the West Coast the house name should be inserted instead of the father's name. India in asking that the father's name should be inserted had no knowledge of the facts that we should have to deal with people who seldom or never describe themselves by their fathers' names, & probably, some of them don't know who their fathers are. If in the present instance they are pressed for their fathers' names some of them will invent, as many whom do. It is submitted therefore that there is no use in troubling about them as the house name combined with the personal name is a satisfactory description.

NOTE FOR THE U.S.

Orders are solicited as regards the mode of addressing recipients of Jubilee certificates who are Moplahs and Tangals of Malabar and Lubbais and Rowthers of Tamil districts. It is a question whether the terms 'M.R.Ry' and 'Avargal' can be applied to their names while the other Muhammadans are styled 'Sahib' & 'Sahib Bahadur'. The appropriate honorific to be used with the name of a ~~Native~~ Hindu lady is also a matter of doubt. "M.R.Ry" and "Avargal" are, it is submitted, certainly not suited. Some Brahmin clerks who have been consulted say that 'Matusri' would be the proper term of address in the case of a Native lady. It is therefore submitted that this honorific may be substituted for "M.R.Ry" & "Avargal" wherever they appear with the names of Native lady recipients.
