From J. Jewett Esq.

To The Inspector General of Police
Madras.

Sir,
In my report on the Koopla outbreak 1896, the Hospital Assistant attached to the Hospital, Malapparam, was noticed thus: - "I must add my commendation of the services rendered by the Hospital Assistant, Mr. Ramnathi who was with us throughout, always cheerful, ready and painstaking. It was his excellent care that saved that wounded man - Kurigayam. He was in his hands ten minutes after he was shot and day & night he tended him. He marched everywhere with us and was of the greatest service. Hope he too will get a substantial reward".

In the distribution of rewards and thanks the Hospital Assistant was given neither.

In the beginning of last year too he was out with us during the operations in Ennad and again gave quite unusual satisfaction in his work and the way he did it, always ready when wanted and most careful in all his

his work he was a sound ally.

Then too the Government were pleased to distribute rewards and thanks, but Mr Rametti was the recipient of neither.

Again in September after the affair in Nanjore put jail, he was out marching everywhere with us.

The work attached to his office is of a kind required by no Hospital Assistant in the Presidency. He like ourselves had to put up with considerable hardship throughout which the men suffered practically not at all; and much of this good fortune is attributable to the efficient care of Mr Rametti.

Few men of his profession would have been equal to the physical requirement of the work, fewer still could have performed it so well.

I have the honor to ask you to be kind enough to bring his conduct to the notice of the Surgeon General and ask him to reward him as he may deem most proper.

12/17/07. I have the honor to be,

Forwarded to the
Surg. General with
the Govt. of Madras.

The undersigned would suggest a gratuity of two months' pay
