SUBJECT.

In letter No. 173 of 4.2.91 this Govt. of India that it was prepared to take 5 copies of the Ajanta Cave paintings and to pay for the difference between this Govt. and that which the India office intended to supply to local Govts. On India wiring asking in Feb. 1898 about the minimum number of copies required by this Govt. for official use (the price of each copy being £10)

it was told that this Govt would be willing to take 5 copies as already intimated but that two would suffice (G.O. 360 d/1. 3. 98). In March last India informed that Messrs Griggs and Sons have been asked to forward 2 copies to this Govt and to send in a bill for payment direct. India was thereupon reminded of its letter of 1891 & was asked (G.O. 484 d/ 29. 3. 98) how many copies will be taken by the India Office on behalf of, and supplied to, this Govt. In the present current India replies that "owing to a misapprehension" no copies were ordered for official distribution and that none are expected and that any additional copies that may be reqd. by this Govt. shd. be obtained from the Publishers.

Attention is invited to H.M.'s note in G.O. 360, d/1. 3. 98 - "I consider that two will be quite enough" &c. The two copies one will be sent to the Connema Library and the other kept in the Secretariat Library. As no more copies are to be expected for official publication & this Govt does not require more than two (which will be received from the Publishers & paid for) there is nothing more to be done now than to record this current.

FROM

E. MACONCHIE, Esq., I.C.S.,
Under-Secretary to the Government of India,

TO

The Chief Secretary to the Government of Madras.

Simla, the 19th April 1898.

Department of Revenue and Agriculture.
(Archaeology and Epigraphy)

SIR,

In reply to your letter No. 484-Public- dated the 29th March 1898, I am directed to inform you that when Mr. Muir-Mackenzie's letter, No. 187 dated the 26th January 1891, was written, it was understood that a certain number of copies of the Ajanta Cave Paintings would be subscribed for by the India Office for official distribution over and above those taken on behalf of private subscribers. Owing, however, to a misapprehension, no copies were ordered for official distribution, and the Government of India do not now expect any copies for official distribution. I am to express regret that the misunderstanding should have occurred, and to say that any additional copies required by the Madras Government must now be obtained from the Publishers.

I have the honour to be,
Sir,
Your most obedient servant,

E. Maconachie
Under-Secretary.
