FROM

TO

THE Chief Secretary to Government
Public Department
Madras.

SIR,

I have the honor to report that on or about 28th June 1897, treasure consisting of 6 small gold coins bearing the stamp of Akbar Shah, a loyal Emperor of Delhi, and valued at about Rs 3 was discovered by one Kummara Ganganna while digging up and carting manure from a certain field in Chagalavi, in the Palnadu Taluk.

2. The provisions of the Indian Treasure Trove Act IV of 1868 can only be applied when the value of the find exceeds Rs 10.

And the report of the find is as follows.

Printed as Appendices to the Public G.O.
 Dated 22^d August 1896 No 901 Press clearly
 indicates that where the Treasure consists of
 articles bearing an antiquarian interest
 they might be brought under the purview
 of the Act. In the case in question, I believe
 the coins would fetch more than Rs 10 if
 sold in a Curiosity Mart. and think
 that they should therefore be dealt with
 under the provisions of the Act. As the
 question is not free from doubt, I request
 the favour of the instructions of Government
 in the matter.

I have the honor to be
 Sir,
 Your Most Obedient Servant
