 G.O. A. 1111

SIR,
 Adverting to your telegram of the 3rd Instant,
 I have the honor to report as follows—
 2. Mr. Pope died of fever from which, it
 seems, he had been suffering for about 3 weeks.
 He contracted the disease on the 10th ultimo at
 Gazalapalli where he was then encamped,
 and it is said that the fever continued
 till his demise, never going below 100°. Being
 prevented by his illness from adhering to
 his original programme, he returned from
 Gazalapalli to Nandyal on the 17th ultimo. On
 the morning of that date, he walked in company
 with the Tahsildar nearly a mile and inspected
 certain tank in spite of the Tahsildar's advice
 to take rest, and soon after he returned home,
 there was a relapse. It is said that he did not
 even open his talap subsequently and the

it no game alandy, except on the 27th when he
settled 9 villages.
About the 20th ultimo while I was at Shou,
I received a telegram from Mr. Pope requesting
casual leave and stating that as he had fever,
he was unable to proceed as desired by me to
Koilhaoutla for inspecting few villages
near ouk, where the people were then
reported to be in need of employment. I wired
to him that he might have casual leave
for 5 days, if necessary. He sent for Mr. Ailsworth,
Assistant Surgeon in charge, who accordingly
went to Kaudyal on the 24th and on examining
his temperature found it to be 104°. The next
day it went down to 102° and Mr. Ailsworth was
sent back. He told me that Mr. Pope did not observe
the diet prescribed by him but was freely using
puddings and other heavy preparations in the
weakened state of his system despite his advice;
whereupon I wrote and advised him to be
very careful about his diet and habits. Not
having heard from him for several days subsequently,
I wired to him on the 30th ultimo enquiring how
he was and desiring that the jamalandy of the two
Lalaps assigned to him should be completed soon.
He then sent me a telegram in reply, intimating
that he was applying for urgent leave on medical
certificate and requesting immediate relief. Mr.
Pearcy, Forest Sub Divisional Officer, Nundyal,
