From,

Surgeon Lieut: Colonel
H. P. Esmonde White

Durbar Physician - Travancore.

To,

The Chief Secretary to the
Government of Madras.

Sir,

I have the honor to request
you will be good enough to lay before
Government this, my application for
an extension of my term of appoint-
ment as Durbar Physician in Travancore
for a further period of 2 1/2 years. The
recent ruling of Government limit-
ing the term of my appointment to
5 years, even although I was given an
extension of 2 years from the date of
that order, is likely to cause me great
hardship in May next when I have
to vacate. I find on enquiry that there
is no probability of any appointment
equivalent to that which I now hold being
available, and I will either have to
apply for furlough, return from the

Dear Sir,

service or take up an acting appoint-
ment involving a very serious pecuni-
ary loss to me. The pension for which
I have served, viz £500 a year, is not
sufficient at present to meet the de-
mands on me, and I am desirous of
serving for 2 years and 5 months -
more, when, by taking furlough I
can, on its expiry retire on the higher
pension of £700 a year. I hope that
Government will take into consider-
ation, not only, the hardships I am
likely to suffer, but the fact that,
when I was appointed to Travancore
I was under the belief that I could
remain there for the remainder
of my service, unless selected for
promotion to the administrative
rank, and accede to my request for
extension of the tenure of my
appointment.

I have the honor to be
Sir

Your most obedt: servant
W. H. M. de la White

J. R. C. S. I.
Surgeon Lieut: Colonel
Durbach Physician
Travancore.

With reference to G.O. 549. 530 Pubhe
of 19 May 1896, & in view of the fact
that the Surgeon General is about to
visit the institutions under Mr. J. P.
White's charge, the undersigned
resolves to forward this application
without at present making any
further comment. He can more
advantageously express his opinion
when the result of the Surgeon
General's enquiry is reported.
