Telegram from Her Majesty's Secretary of State for India, dated 14th June 1898.

Resolution.

In the telegram read in the preamble Her Majesty's Secretary of State for India—at the instance of Her Majesty's Secretary of State for the Colonies—has requested the Government of India to do what may be possible to prevent emigration from India to Australia by warning intending emigrants that there is no probability of their obtaining employment in that country, and that in the event of their destitution there is no likelihood of relief being afforded them by the Colonial Government.

2. The Governor-General in Council accordingly requests all Local Governments to make the above intimation generally known, and more especially in places from which emigration to the Australian Colonies is believed to be most common; and also to warn intending emigrants at the ports of embarkation of the risks they run in proceeding to those Colonies.

Order—Ordered that a copy of the above Resolution be forwarded to the Local Governments and Administrations noted in the margin, for information and guidance.

Ordered also that a copy be published in the Gazette of India for general information.
