In forwarding the accompanying letter from the Commandant His Excellency the Governor's Body Guard, I have the honor to request the favour of the sanction of His Excellency the Lieutenant General Commanding the Forces, Madras Command being obtained to the despatch of a party of one Hindustani and two English Riders to Secunderabad for instruction in equestrianism at the Riding School of the 19th Hussars.

I may mention that it is very desirable that the party should be sent to Secunderabad and not to Bangalore as the Regiment at the former station is mounted on Wabs and the method of handling wabs and Arabs differs materially.

To render these men efficient instructors in the Body Guard Riding School at Madras His Excellency considers it important that they should have the benefit of the Equestrian Course now proposed.

I have the honor to be
Sir,
Your most obedient Servant

Military Secretary
