SIR,

Madras.

I have the honor to request that Government will be pleased to grant me furlough for one year and ten months whenever it is convenient to relieve me from duty.

2/ I have been attempting to discharge to the best of my ability the duties falling to the lot of a Collector of a District wherein Famine operations were in progress since January last. This involved much exposure to sun and fatigue especially during four months of very hot weather. I had already

Since return from furlough in the beginning of 1894, been subject to much anxiety. The consequence is that I now feel myself unable to get through my work and I trust that Government will relieve me from duty at an early date.

3 I have not got a copy of the Civil Service Regulations with me in camp, so am unable to day to quote the section under which I apply. The leave I apply for is ordinary furlough and the section is, I think, No 294. I am ready to send in a medical case and appear before a medical board if Government so desires and I have served over two years in Cuddapah District. Under the circumstances of my case Government will perhaps accept my word that I really require the leave, in the place of a medical certificate.

I have the honor to be
Your most obedient servant
