CHIEF SECRETARY
25 DEC 1897
GOVERNMENT OF MADRAS

Calcutta, the 21st December 1897.

Sir,

I am directed to acknowledge the receipt of your letter No. 1355 Public, dated the 11th October last, referring for the orders of the Government of India the question whether copies of the new edition of the "Nomenclature of Diseases" should be supplied gratis to Local Fund and Municipal Hospitals.

2. In reply I am to say that the Government of India do not consider that Local Fund and Municipal Hospitals in the Madras Presidency can be regarded as State-aided institutions, and that they are of opinion that copies of the work in question should be supplied to them on payment of the price.

3. I am to add, with reference to the concluding portion of your letter under reply, that the Government of India are of opinion that the Director-General, Indian Medical Service, was right in sending instructions to the Surgeon-General with the Government of Madras direct that copies of the Volume might be given to State and State-aided institutions; but that only the Government of India could decide, with the advice of the Government of Madras, whether a particular institution is State-aided or not.

I have the honour to be,
Sir,
Your most obedient Servant,

J. P. Hewett.
