General.

Simla, the 1st August 1898.

SIR,

I AM directed to acknowledge the receipt of your letter No. 407-S-179, dated the 4th May 1898, on the subject of the liability of Provincial Revenues to bear the cost of official reports, etc., supplied from India to the India Office, London, for issue as a Parliamentary Paper.

2. I am to refer you to the Secretary of State's Despatch No. 8-Public (Records), dated the 10th of February 1898, communicated with Home Department Circular letter No. 1374-83, dated the 16th June 1898, from which it will be seen that, in every case of supply of extra copies of reports, etc., to the India Office, the expenses incurred for paper, press work and freight will be recovered from Her Majesty's Imperial Treasury. The Government of India have accordingly decided that debits on account of these expenses should be passed on to the account current with London, and I am to request that a copy of the memorandum of cost to be prepared for the Secretary of State may, in this instance and in future, be supplied to the Local Accountant-General, so that the necessary adjustment of the amounts may be recovered in his accounts.

I have the honour to be,

SIR,

Your most obedient Servant,

E. MACONOCHE,

Under-Secretary to the Government of India.
