THE OBSERVATORY,

NUNGUMBAUKUM.

Madras, 10th August 1898.

FROM

THE GOVERNMENT ASTRONOMER,

Madras.

TO

The Hon'ble Mr. G. Stokes,

Chief Secretary to Government.

SIR,

I have the honor to request sanction to purchase from the estate of the late Mr. E. R. White's photographic apparatus at the cost of Rs 325.

2. The apparatus includes a full plate camera with lens stand &c and a considerable amount of minor apparatus.

3. The price is reasonable and much less than - would be paid for an equal amount of new apparatus.

4. At present the Observatory does not possess - any camera for ordinary purposes and all photographic work has to be done with apparatus belonging to the Govt. Astronomer. This is often very inconvenient as for instance just now when copies have to be made of the eclipse negatives involving the fitting up of the camera in a special way and rendering it for the time useless for other work.

5. The charge can be met from the provision in the budget under the head purchase and repair of - instruments.

Q 2497

I have the honor to be,

Sir,

Your most obedient servant.

Chiche Smith
Govt Astronomer.
