OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, the 5th August 1898.

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

Sir,

With reference to G.O. No. 853, Public, dated 5th July 1898, I have the honor to submit that the elimination from the estimate of the provision for retaining walls and a pavement will greatly mar the usefulness of the work that has been sanctioned. Not only will their absence interfere with the uniformity of the passages in the hospital and their level but a gravelled path on the ground floor will dirty the feet or the shoes of those who walk thereon and the dirt will be transferred to the floor of the wards especially the delivery wards. This contingency, which is certain to occur, will make the place most insanitary.

2. The only advantage that will accrue from the omission of the retaining walls and a paved floor is a saving in expenditure but this, I understand, will be very slight.

3. Under these circumstances, I trust that Government will be good enough to reconsider its decision.

I have the honor to be,

Sir,

Your most obedient servant,

C. Sibthorpe

Surgeon-Major-General,

Surgeon-General with the Government of
Madras.
