H. M. S. in

NOTE FOR THE CHIEF SECRETARY.

With C. No. 2292 the Govt. of India communicates the sanction of the Secretary of State to the transfer to the Provincial Civil Service in this Presidency of the appointment of Special Assistant to the Collector, Magistrate and Government Agent, Godavari.

2. It has yet to be decided which particular Head Assistantship shall be transferred to the Provincial Civil Service in the permanent vacancies in the Indian Civil Service List which have recently been filled up. The appointment that is actually left vacant is the Special Assistantship, Malabar, in consequence of Mr. Harding's promotion to a permanent Sub-Collectorate in the vacancy caused by Mr. Meyer's confirmation with the Govt. of India. The issue of the draft order flagged R has been held over pending the settlement of this question. It has also been decided in the papers already circulated that the members of the Indian Civil Service should, in accordance with precedent, be given the benefit of the permanent appointment from the 22nd March to the date upon which it is actually filled up by the Revenue Dept. The vacancy of permanent appointment of Special Assistant of Malabar has accordingly been considered to have been held by members of the Indian Civil Service up to the 28th May 1898. The Special Assistantship

Assistantship of Godavari can be made available for the Provincial Civil Service by appointing 94 Mr. J. I. Robertson, who holds the appointment permanently, to be Special Assistant of Malabar with effect from the 29th May 1898, and 109 Mr. R. A. Graham can be considered to have held the Special Assistantship of Godavari from the latter date up to the date upon which it is actually transferred to the Provincial Civil Service.

3. Three Head Assistantships have already been transferred to the Provincial Civil Service viz. those of Godavari, Tinnevely and Trichinopoly and the transfer of this fourth Special Assistantship will complete the transfer of the listed appointments of this class. It is however to be noted that the Head Assistantship of Godavari having already been transferred permanently to the Provincial Civil Service, the transfer of the Special Assistantship in the same district will leave only the Collectorship and the Sub-Collectorship of that district open to members of the Indian Civil Service. This could be avoided by exchanging the Head Assistantship of Godavari for a similar appointment in some other district.

4. Vizagapatam appears to be a district into which a Provincial Service appointment might be imported. It has a larger staff of European officers than

than any other district and the difficulties as regards such Agency tracts as might fall within the transferred charge could be got over perhaps by appointing a European Deputy Collector to the listed post. Making Vizagapatam the Head Assistantship of S. Arcot might be exchanged for that of Godavari.

As regards the question raised in the linked file, the C.S. has pointed out that the difficulty will be got over by now declaring that the Head Assistantship of Cuddapah which was converted into a Deputy Collector's post in 1892 is the Passed Assistantship transferred to the Provincial Civil Service in 1893 (G.O. No. 27, Public, dated 18th May 1893.)

*Ans
20.7.98*

I should not like to order this without consulting the C.S. - thought it might be possible to find a District Collector, and I think he would be a good one, for, though the work is a large one, it is not a large one of the District Collector's work, and I think it would be a good one for him to do. I think this will be best.

*Ans
29/7/98*

I think the listed post of 1st Lt. is a good one, with advantage to be transferred to Vizag. The latter District has a very large European staff and the work is very light. If it be now ordered, it will be a good one for the Cuddapah District, which was the 1st Lt's Division which

was transferred to the Provincial
 Service when Ramachandra
 Rao was app'd in G. O. P. O.
 No 27. It will be satisfactory
 Close an open question. There is no note in this file.

I don't object to the P. Assistantship
 of S. Arcot being transferred.
 In that case it won't be
 advisable to post a native as
 Sub. Col. of S. A., as it was the
 case & has for some time been the
 practice. Was there not, by the way,
 a question not very long ago of
 building a house for the P. Asst.
 of S. A.? If that scheme has been
 carried out, as it is in progress, it
 can be situated in the R.D. a P.C.S.,
 how would that affect the transfer?

Ans
 3/8/8

I think the P. Assistantship of S. Arcot
 will do. I do not see how Govt.
 can avoid at times having
 natives both as P. Asst & as
 Sub. Col. in the same district.
 There are five native members
 of the S. C. S. Service in the same

of the Provincial Service and there
are certain districts where it is
not desirable to appoint native
subdiv. officers. *MA 3.8.98.*

will probably do before Phillips

before he has completed his training.
