In case no 1770 (d. 10/5/95)
the S.G. asked that the
Govt of Bombay might be
moved to send to Madras
D. Thomas, as of the death
obtained from England
which happened in the last
D. Thomas was stopped in
Bombay under examination
which have been fully
explained (in the letter in G.O.
465 d. 21-3-93). The Govt
has been telegraphed to
Bombay asking if that
Govt. would be needed here,
The Govt of Bombay replied
that it did, whereupon
this Govt in the letter in G.O.

in his retention there, on
the understanding that
he would be at once ^{sent} returned
to Madras on receipt of a
telegram from his Govt.
intimating that he is required.

The Surgeon General in
reply on May 25th that
D. Thomas should be sent
for, gave as his ground for
so doing the expectation that
three of his medical officers
left to India for military
duty were not likely to
return soon. As the Govt. of
India had already, in
letter no 660 d 14/5/25,
been asked to send back
the officers in question. The
S. G.'s letter is therefore
ordered to lie over pending
India's reply.

The Govt. of India
replied that all the
officers in question had
volunteered to Civil duties.

d. 14-7-25), and the

*H.A. gave me notes on, of which
I took this note. (at Madras) - Thomas
after checking papers in office. I at
once asked Public for papers, who
replied that D. Thomas' return was
under consideration. I then asked
that their decision might be
communicated to this Dept.

11/25/25

The S.G. was then asked
to state whether it was a fact
that all the officers had
volunteered, the information
being required for the
disposal of his services. After
asking for D. Thomas.
The reply was received on
22/8/25. In it he states
that all the officers have
volunteered. The reasons given
for D. Thomas' return have
thus disappeared.

The officers however
from notes received from the
L & M Dept. that D. Thomas
is required in connection
with the plague duty. Others are
reported that he should
be wired for, in accordance
with the arrangement made
with Bombay when his retention
there was sanctioned.
