Please state how it is proposed that the expense of the move of the party of 1 Havildar and 2 Rough Riders of the Body Guard of His Excellency the Governor of Madras to Secunderabad shall be borne, as, if the local Government does not intend to bear it, the Lieutenant General Commanding does not consider it a charge he can authorise from military funds, without reference to the Government of India, as His Excellency is of opinion that the training could be equally well given at Bangalore.

From

THE MILITARY SECRETARY TO

HIS EXCELLENCY THE GOVERNOR,

To

The Chief Secretary
to Government

SIR,

In returning as requested the correspondence referred to this office with your endorsement N^o 1700 dated 12th August 1898, I have the honour to state that the Commandant H.E. the Governor's Body Guard proposes giving the party in question furlough for the period during which the course would run, viz, about six weeks. This would entitle them to travel to and fro at the public expense.

I would add that the Commandant is anxious that the men should be trained with the class of horse they ride, viz, Australians, the handling of this class of horse being quite different to that of Arabs.

I have the honour to be,

Sir,

Your most obedient Servant,

[Signature]
Major,
Military Secretary.
