Letter dated the 1st July 1898, from the Rev: C.H.L. Wright Chaplain of St John's, Bangalore, to the Resident in Mysore.

Having lately taken over charge of this Chaplaincy I find I am practically ex-officio President of the Bangalore Pensioners', Widows' and Orphans' Fund.

The Fund was established so long up as 1841 to enable pensioners of the British and Indian Forces (as they were then) to make provision for their wives and families.

Aided by public subscriptions and an annual grant from Government with profitable investments there has gradually accumulated a capital of from 12 to 13 thousand rupees.

I herewith beg to enclose a copy of the Rules. It will be seen from the last, No. XXXIV "that every chaplain of St John's be written to requesting him to become President of the Fund".

One of the chaplains in Bangalore seems to have been always President of the Fund, but since the formation of the St John's Chaplaincy it has always been the Chaplain of St John's.

The Fund has served an useful end. There are now 12 widows drawing monthly pensions from the Fund there is only one subscriber left, if he were to die his widow would come on the list if she is alive, otherwise there is no likelihood of the number of pensioners being increased and therefore the calls on the Fund will gradually die out.

Under the circumstances, it is impossible

to carry out the Rules under which the Fund was constitu-
ted there being no subscribers to elect a committee and
none to serve on it, there is no Vice-President, Secretary
or Treasurer. The Trust has for some ^{years} ~~time~~ past devolved
upon the successive Chaplains of St John's who have
employed a Secretary on Rs.20/ per mensem, generally a
pensioner who has been under the orders of the Chaplain
of St John's as president.

An annual report or statement has been
submitted to Government - the last is herewith enclosed.
But the investment of money, management of the Fund etc
has latterly rested solely upon the Chaplain of St John's.

If when the present pensioners die out,
what remains of the Trust, were to be made over to form
an endowment of the St John's Schools, the Chaplains of
St John's might feel that there would be some repayment
for this addition to their work; this will have to be
decided by Government when time comes.

But for myself it being impossible under
the circumstances to carry out the rules with reference
to the management, or in the terms of the trust to get
these rules altered; I beg to appeal to you as the
Chief executive authority of the Station for advice as
to what ^{had} better be done under the circumstances. I have
taken over the work "ex-officio" but I am in doubt
whether I have legally any power to administer the funds.
I do not approve of the present system of investment of
the funds of the Trust, I doubt whether they are
satisfactory. I send a tabulated statement of the various
loans up to date, I cannot hold myself responsible for any
loss.

I have the honor to ask your orders as to what had better
be done under the circumstances.

FROM

LIEUT.-COLONEL DONALD ROBERTSON, I. S. C.,
CHIEF SECRETARY, RESIDENT IN MYSORE.

26 JUL 1898
GOVERNMENT OF MADRAS

TO

The Chief Secretary to the Government of Madras.

Dated Bangalore, 25th July 1898.

SIR,

B

Intro No. 15-16
226-98

The Bangalore Pensioners', widows' and orphans' Fund was established in 1841 to enable pensioners from Her Majesty's British and Indian Forces in the Madras Presidency, to make provision for their wives and children. Aided by public subscriptions and an annual grant from Government with investments, a capital of from twelve to thirteen thousand rupees accumulated. The Fund was for some time managed by a Quarterly Committee consisting of a President, a Vice-President, a Secretary and a Treasurer, elected annually, and four subscribers, chosen quarterly as members.

2. There are now only twelve widows drawing monthly pensions from the Fund, and but one subscriber surviving. The formation of a managing committee has, therefore, become impossible, but the Rules of the Fund make no provision for such a contingency. The Chaplain of St John's has acted, without, so far as can be seen, any legal authorisation, as ex-officio Honorary President and

Intro No. 1 to 10
C. H. 226-98

and the fund has practically been administered by him without any control beyond what is supplied by the necessity for a yearly Report, which does not disclose either the nature of the transactions entered into, or the actual financial position of the Fund.

3. The Reverend C.H.L.Wright, the present Chaplain of St John's, doubts whether he has, legally, power to act as Trustee of the Fund, and has applied to me in the letter of which I enclose a copy, for advice and assistance. It seems to be quite clear that the present unsatisfactory state of things should not be allowed to continue - an early change is moreover essential, seeing that Mr.Wright very naturally, refuses to accept any responsibility in the matter. I am afraid that the Fund has been managed in an unbusinesslike manner, various loans having been made on insufficient security and, unless some steps are taken at once, there is a danger that the nominal capital may be seriously curtailed.

4. I propose, therefore, to authorize the Collector of the Civil and Military Station of Bangalore to take, under section 539 of the Code of Civil Procedure, the necessary steps for the appointment of a trustee or trustees of the Fund, and the due management thereof, but before taking this step, I shall be glad to be informed whether the Government of Madras see any objection to the adoption of such a course. I make this reference as I understand that the Fund has hitherto been assisted and controlled by that Government.

I have the honor to be
Sir,
Your most obedient servant

Dr. Robinson

Resident.

SUBJECT.

~~HIS EXCELLENCY THE GOVERNOR.~~

THE HON'BLE SIR HENRY BLISS, K.C.I.E.

~~THE HON'BLE MR. GROSE, C.I.E.~~

Proposal of the Resident in Mysore to authorize the Collector of the Civil and Military Station of Bangalore to take action under section 539 Civ. Proc. Code for appointment of a trustee or trustees of the Bangalore Pensioners' Widows' and Orphans' Fund.

FOR ORDERS.

The present Chaplain of St. John's Church, Bangalore, has represented to the Resident in Mysore that since the St. John's Chaplaincy was formed in 1841 the Incumbent has been president of the Bangalore Pensioners' Widows & Orphans' Fund (vide Rule XXIV in the pamphlet put up(flag K)).

Mr. Wright reports that it is impossible to carry out Rules XXIII and XXVIII, there being no subscribers to elect a committee and none to serve on it. Consequently the management of the fund rests entirely with the Chaplain of St. John's. As Mr. Wright is unable to carry out the rules with reference to the management, he has asked the Residt. in Mysore for advice; and has declined to be held responsible for any loss in management of the funds, which he has taken over ex officio.

2. The Resident states that there are only 25 or 30 pensioners' monthly pensions from the Fund, and but one

subscriber surviving. He is of opinion that the fund has been badly managed, and considers that early steps should be taken to ensure that the nominal capital may not be disadvantageously invested. For this purpose he proposes to empower the Collector of the Civil and Military Station, Bangalore, to take action under section 539 Civil Proc. Code for appointing a trustee or trustees of the Fund, and for managing the same. Before doing so he wants to know if ^{this Govt} ~~the~~ have any objection as he understands ^{that this} ~~the~~ have hitherto controlled and assisted the Fund.

3. In 1857 (flag 1) the Court of Directors sanctioned an annual subscription of Rs. 300 to the fund, provided an equal sum was realized by private subscriptions. This contribution by Govt. seems to have continued till 1894 when it was reduced to Rs. 200 (flag L). This latter amount has been granted by Govt. till this year when it was considered that no grant in aid was required (flag B). The connection of this Govt. with the fund is to review its annual report and to aid it when necessary.

scribes

It is submitted that Govt. need not object to the Amendment proposed. Govt. does not at present contribute. Let it be indirectly interested & if any contribution of any kind would be for everyone's benefit if the management was placed on a proper footing. *Am. 20/8/98*
