Simla, the 13th August 1898.

Sir,

I am directed to forward the accompanying copy of an Extract, paragraph 8 of a Military letter, No: 64, dated the 30th June 1898, from the Secretary of State for India, and enclosure, regarding an application from Mr. A. C. Rendle, who was engaged in February last for temporary medical duty in India and who is now employed in the Madras Presidency, asking to be permanently appointed in the Indian Medical Service, and to request that, with the permission of the Governor in Council, the orders of the Secretary of State on his application may be communicated to Mr. Rendle.

I have the honour to be,
Sir,

Your most obedient Servant,

Nathan

Under-Secretary to the Government of India.
R.C.

my application to be permanently appointed in the Indian Medical Service in which I am temporarily acting.

I am thirty-one years of age and therefore disqualified from competing at the ordinary examination in England; but I trust that the Government will be able to make a special rule in the case of those medical men who volunteered their services for plague or other duty in India, and who do not greatly exceed the age limits and whose testimonials for service in India are satisfactory. Having learnt something of the language and diseases of the country, I should be glad to enter the Indian Medical Service.

If you are unable to comply with this request can you grant me permission to enter for the competitive examination at the expiration of my period of agreement of service in India although over the regulation age?

I have, &c.,

Sgt. Anstuther C. Rendle, M.B.,

Temporary Civil Surgeon,

Ag. Resident Medical Officer,

General Hospital, Madras.
