PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Surgeon General with the Government of Madras,
No. 326, dated 20th August 1898, reporting the medical staff deputed
for plague duty at Jalarpet.

From the same officer, No. 332, dated 23rd August 1898.

With reference to para. 2 of G.O. No. 841 P, dated 18th
August 1898, I have the honour to state for the information of Go-
vernment that I have deputed the Medical Officers named in the

Dr. P.V.O. Beit, M.R.C.S. margin for plague inspection duty at Jalar-
Retired Senior Assistant pet, along with two Hospital Assistants and
Surgeon J.J.H. Everard. two nurses.

2. Dr. Beit is one of the Medical officers sent out from
England for plague duty and is now employed as Acting District Medi-
cal and Sanitary Officer Cuddalore. I originally ordered Dr. Myler
from Cuddapah but as he says that he is not in good health and as
two suspected cases have since occurred in Cuddapah, I have directed
him to remain there and deputed Dr. Beit to Jalarpet. Mr. Everard
was until recently Assistant to the Medical officer in charge of
inspection station Hospet and did good work. He was also in charge
of the station before the appointment of Surgeon Captain Pereira.

3. On receipt of your telegram dated 19th August 1898, I also
deputed Brigade Surgeon Lieut. Col. Rogers Harrison temporarily to
Jalarpet. On completion of necessary arrangements and the arrival
of Senior Assistant Surgeon Everard, Dr. Rogers Harrison will hand
over charge to Dr. Beit and revert to Salem, as I have no other Com-
missioned Medical Officer available to be sent to that District &
especially as it has a large Central Jail.

Order No. 925 P.Mis., dated 26th August 1898.

The arrangement reported in para. 1 of the second of the
letters read above is approved.
