PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

Letter from the Surgeon-General with the Government of Madras No. C/36 dated 3rd August 1898

Endorsement thereon in the Public Department No. 1684 dated 11th August 1898

Letter from the Surgeon-General with the Government of Madras No. J2/22 dated 14th August 1898.

Endorsement thereon in the Public Department No. 1747 dated 18th August 1898.
Order thereon No. 734 Marine of 31st August 1898.

His Excellency the Governor in Council observes that there is nothing in the Surgeon-General's letters, or accompaniments, which affects the grounds on which Dr. Allison was blamed, viz.,

(1) for leaving Madras at all when the declaring of Calcutta as "infected" was imminent, and

(2) for not returning at once on becoming aware that quarantine against Calcutta had been ordered.

2. His Excellency in Council is also of

of opinion that it would have been better if Dr. Lee had used the discretion given him by the second sentence of Regulation 17 printed with G.O. 745 Marine dated 23rd August 1897, and had allowed "healthy" vessels to work cargo under suitable precautions, instead of detaining them in strict quarantine, as he did. If he had any doubt, he could have asked for orders by telegram. This he omitted to do.
