Simla, the 27th August '98.

Sir,

I am directed to acknowledge the receipt of your letters No. 688, dated 20th May 1898 and No. 842, dated 2nd July 1898, forwarding memorials from Surgeon-Lieutenant-Colonels J. Maitland, Senior Surgeon, General Hospital, and Professor of Surgery and Clinical Surgery, Medical College, and T. H. Pope, Superintendent of the Ophthalmic Hospital, Madras, respectively, praying for a reconsideration of the ruling as to the grant of Presidency house rent conveyed in the letter of the Government of India in the Finance Department, No. 4052 Ex., dated 9th September 1897.

2. In reply I am to explain that the reservation made in the order of the Government of India in the Finance Department, No. 2987, dated the 6th June 1888, was the usual reservation providing for existing rights, and was not intended to confer personal privileges to be carried into the future. When the memorialists ceased to hold the appointments which they filled on the 6th June 1888 and were employed in the Presidency town in other appointments carrying a higher rate of emolument, the reservation contained in the original orders ceased to apply to them and they had no greater right to regard themselves as entitled to Presidency house rent than had any other member of the Medical Service in Madras. The Government of India therefore regret that they are unable to reconsider the decision conveyed in the letter of the
