From Dr. E. Hultzsch, Government Epigraphist,
to the Secretary to the Government of India, Revenue and
Agricultural Department, No.248, dated Ootacamund, the
30th July 1898.

Having in my letter No.153, dated 22nd April
1898, to the Chief Secretary to the Government of Madras
expressed my willingness to continue editing the Epi-
-graphia Indica while on furlough, I have the honour to
request that I may be permitted to charge, while at home,
my actual expenditure for postage, stationery, printing
of envelopes and headings, and carriage of facsimiles to
the Imperial grant for the ~~Epigraphia Indica~~ items which
I can hardly be expected to pay from my own pocket.

2. I further request that, if the Government of
Madras is pleased to permit, all bills against the Im-
-perial grant might be submitted by my First Assistant
to the Collector of Nilgiris, who would refund directly
the contingent expenditure incurred by my First Assis-
-tant, while he would request the Accountant General, Madras,
to send me drafts on London, addressed to No.88,
Blasewitzer Strasse, Dresden, Germany, (a) in the names
of Contributors and firms in the case of payments for
papers and plates, and (b) in my own name in the case of
contingent expenditure incurred by myself.

3. If the Government of India approves of these
proposals, I request that the Government of Madras and

Comptroller,

Comptroller, India Treasuries, might be addressed accordingly.

I am directed to forward, for information, a copy of a letter from Dr. Hultzsch, No. 248, dated 30th July 1898, regarding the payment of bills for Epigraphical work during his absence on furlough, and to say that the Government of India have no objection to his Assistant's bills against the Imperial grant for Epigraphy being submitted, as suggested, to the Collector of the Nilgiris, who would arrange for their payment, and subsequent adjustment by the Comptroller, India Treasuries, in due course.

2. As regards Dr. Hultzsch's personal bills, it has been ascertained from the Comptroller, India Treasuries, that a more convenient plan than that suggested will be for Dr. Hultzsch to send his bills to this Department for transmission to the Comptroller, India Treasuries, for audit and payment. Dr. Hultzsch has been
