NOTE FOR THE L^om. Dept.

It is suggested that as Mr. Hammick is an officer under the Public Dept. the draft intific. and the draft order in this file should omit any mention of his name but and merely state that the Governor in Council has determined to appoint a Plague Commissioner and define his powers as proposed. Public will then take steps to obtain Mr. Hammick's appointment by Minute in the regular course and issue an order fixing his emolument.
