Mr. Chamberlain would be glad if you would move his Lordship, should he see no objection, to comply with the wishes of the Agent General.

I am, &c.,

Sir,

I have the honour to state that, on the 20th May last, a letter was addressed by this Department to the Superintendent of the Archaeological Survey (Madras) enclosing one from the Brisbane Public Library (copy herewith) which Institution has recently been established by the Government of Queensland, asking to be supplied with the Publications and Reports issued from time to time by the Archaeological Survey; and that a reply has now been received intimating that application should be made through the Government of India, with whom rests the decision in the matter.

I have, therefore, to request that you will ask Mr. Secretary Chamberlain to be good enough to move the Secretary of State for India with a view to obtaining the sanction of his Government to a grant of the publications in question being made.

It will, no doubt, be remembered that the Imperial Authorities have recently made a grant of Record Office Publications to the Library referred to.

I have, &c.,
