 P.A. ²⁴²⁷⁰ Potacamund,
 22^d April 1898

(Dear) Sir,

I beg to submit proposals regarding the management of this office during my absence on two years' furlough for which I have applied.

During this time I would continue to edit for the Government of India the quarterly

Journal Epigraphica
Indica was no longer
The work of my
staff would be superintend-
ed in weekly communica-
tion with me, by my first
assistant, Mr. V. Venkayya,
M.A., for whose ability,
integrity and zeal I can
fully vouch. He might be
temporarily placed
under the control of the
Collector of the Nilgiris. I
would, however, reserve
to myself the right to issue

direct orders to my staff
as far as purely epigra-
phical work and not
routine matters are
concerned.

My Collection of
facsimiles contains
thousands of inscriptions
from which extracts
have already been made
and published, but
which require to be
completely transcribed,
translated and indexed.
This work may be

attempted and finished
as far as possible -
during the two years
of my absence. No long
tours need be undertaken,
but short trips might
be made eventually in
order to complete the
collecting inscriptions
from places already
visited. On my return
to India I would select
a portion of the records
transcribed for publication.
It will thus appear

CURRENT NO. 14251

that I can well be spared
at present and that the
time of my absence
can be suitably employed
in the working up of
archives which have
accumulated in spite
of every effort to keep
pace with the new
materials collected
every year.

I beg to remain, dear Sir,
yours faithfully,
E. Hultsch
