SURGEON-GENERAL WITH THE GOVERNMENT OF MADRAS,

TO THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT, Public DEPARTMENT.

SIR,

With reference to the telegram from the Government of India communicated to me with L.O. No. 1118, Public, dated 1st September 1898, I have the honor to observe that the Medical Officer named in the margin, who have reverted to Military duty, must have relieved other officers who would be available for duty in the Civil Department.

2. I further notice from the Distribution List dated 1st August 1898 received from the Principal Medical Officer, Madras Command, that five young Medical Officers are merely doing duty in Station Hospital and as they do not fill any authorized appointments in the Military Department it is not understood why they cannot be spared to relieve the officers required for Civil work.

LETTER:- No 1222.9 26/9/98.

To
The Secretary to the Govt. of India,
Home Dept. (Medical)

Sir,

I am directed to acknowledge the receipt of your telegram No. 1185, dated 31st August 1898, in which the Govt. of India expressed its inability to comply with this Govt's. request that the services of ~~a number of~~ ^{some} officers of the I.M.S. should be placed at its disposal.

2. In reply I am directed to urge upon the Govt. of India the grave necessity that exists for ^{raising} as far as possible to its

Letter to H.E. Mr. Governor

With ref^{ce} to the HM's note above

It is submitted that the present letter which refers, in a measure, to the claims of this Govt may be despatched independently of the above communication which is a report for one officer. If this is approved the draft ready, it is submitted

strength the civil medical staff in this Presidency. H.E. the Governor in Council is aware that the demands for the ~~Services~~ of medical officers have been great throughout India, and, as far as regards the provision of substitutes for Surgeon Lt. Col. Fitzpatrick and Surgeon Major Patch, on their retirement, he fully recognises the difficulty which exists. The other three officers for whom substitutes are required, namely Surgeon Lt. Col. Esmonde White, Surgeon Captain Wright, and Surgeon Captain Macrae, ^{must, however,} on their reversion to military duty, ~~must~~ have increased by three the number of officers in the Military Dept. Under the circumstances this Govt. considers that it may fairly ask that three officers now serving under the Military Dept. may be deputed to civil employ. ^{also} H.E. the Governor in Council understands that there are at present five young medical officers serving in the Madras Command who occupy no sanctioned appointment in the Military Dept. but are merely doing station duty, and he would suggest that, if no more senior officers are available, the services of ~~these~~ these officers should be temporarily placed at the Govt's disposal.

I think this thing is too important to be left to the hands of the military department. It is a matter of public interest and should be decided by the Government.

2. Agree with what the C.S. says in his Note of 24.9.95. The established routine must be followed, if confusion is to be avoided.
