Land returns

FOR ORDERS.

The file below contains the land &c. returns ~~submitted~~ which have under the rules to be submitted to Govt. There is nothing in the returns themselves to call for remark, unless it be the acquisition by the Surgeon-General and Dr. Rogers Harrison of shares in Cotton Mills. Dr. Lee has acquired a coffee estate in Mysore, probably left him by his brother who died in 1897.

The returns are submitted in a variety of forms, and the of opportunity may be taken to issue instructions on this point. The general form is that given on page 8 of the ^{Rule of the Auditor} Public Servants ^{of the Government} Manual (Form A). This is applicable to all officers in superior service except members of the I.C.S. and military officers in civil employ. The other form which may be used is that which was prescribed for covenanted civilian and military officers in G.O. 255 Rev.

dated

There is no reason, that I know of, why they should hold shares in cotton mills H.S.

If the Cotton-mills are in the District, in which these officers are employed, do not these officers intrude into the 20, pages 10 of the Rules. Curis?

The wording of the rule seems to throw on Govt. the onus of not employing officers in districts where companies work in which they hold shares. In the present case I don't think the officers need be moved. H.A. 2.8.98

ated 23-2-84, which shows shares as
 all as lands. The form used by military
 and Stanley engineers in the P.W.D.
 (vide flag A) and also apparently by
 Medical Officers (vide summary submitted
 by the Surgeon-General flag F). The
 whole return has been abolished in the
 case of covenanted civilians and it is a
 question for orders whether all Military
 Officers, (members of the P.W.D. and Medical Officers)
 who were classed
 with civilians for the purpose of this
 return, should not now be admitted to the
 exemption from submitting returns which
 civilians enjoy.

Mr.

2/8/88 It is, no doubt, for
 Ent. to employ officers

in districts other than those in
 which they have investments. But
 if this be so Ent. must have
 some means of knowing of the
 investments. Perhaps if the last
 sentence of para 20 of page 10
 of the rules is maintained some

return sufficient to give the
information there required to
be maintained. It may be
much simpler than that now
prescribed.

Another way out of the difficulty
would be to throw on officers the
burden of reporting if it is proposed
to send them to districts in which
they have investments?

18/8/87

I think this is the better. But
the difficulty is the papers and
the responsibility of reporting on the return.

I think this will be
quite enough - officers are not likely
to have large holdings in the stock
companies and to report their holdings
of their duties.

I agree.

Land returns

- (2) HIS EXCELLENCY THE GOVERNOR.
(1) THE HON'BLE SIR HENRY BLISS, K.C.I.E.
THE HON'BLE MR. GROSSE, C.I.E.

FOR ORDERS.

Honourable members have agreed
that the land and share returns of
Military Officers in Civil employ may
cease to be submitted, and orders will
be drafted accordingly.

In connection with the issue of
orders to ensure that the returns
shall be submitted by other officers
in the correct form in future, atten-
tion is invited to rule 12 of the
Public servants manual, which directs
the submission each year of a return
in form A, showing all immoveable pro-
perty acquired up to date. From the
~~declaration~~
~~statement~~ appended to that section, it
looks as if this return was originally
only meant to include acquisitions
(old and new)
during the year. The footnote to form
A however shows that, as the rule is
now interpreted, old as well as new
acquisitions have to be entered.

It is submitted that the submis-
sion each year of a complete list of
lands held is not necessary. Under

rules

Under rule 14 and 15 a register of lands is kept for each officer and this can be referred to by Heads of Depts. when making proposals for postings. It is submitted that it would be sufficient, if, instead of submitting ~~from~~ ^{used} form A each year, that form were only ~~used~~ by officers newly appointed, and in cases where an officer has ^{recently} become possessed or dispossessed of land, a "no change" certificate being submitted in other cases. This would save a good deal of work to all concerned. Moreover Govt., and Heads of Depts. have now each year to compare the new returns with those of the previous years to see if there has been any change. To the "no change" certificate might be appended the certificate in Note 1 to rule 12, which should then run: "I, A.B. do solemnly declare that other than what is entered on the returns previously submitted"

Orders are requested whether this amendment of the rules may be carried out.

? What does this mean? No change perhaps is meant.

Please see the notes and orders at Q. In the Res. Dept, which had not been consulted, now raise objection to the proposal to allow a 'no change' certificate to take the place of the return of all lands held during the year. Please see Res. Dept. note below.

Under rule 15 of the rules for the personal control of Sub. servants a register is to be maintained by the Head of the Dept (Res. Dept in the case of D.C. etc.) showing lands held by each officer in the Dept.

There is to be revised year
by year on receipt of the
annual return. The amendment
proposed in the Public
Dept. will, it is
submitted, supply all
the information necessary for
the maintenance of this
register. The only objection
raised to it is that it
would allow officers who
desisted to cancel their
acquisitions gratis facilities
for doing so. But if the
certificate required at
Q is signed by the officer,
it is difficult to see how
'forgetfulness' could excuse
him for signing a wrong
declaration any more than
it could excuse his omitting
an item from the present
form of return.

If it would give any greater
security the form of declaration
might be amended as
shown in red ink at Q.
Orders are reported.

AX

11/9/98

I should think this wd suffice
H.S.
10/9/98

The red ink alteration makes it
safe, and the rule should make
it unmistakably clear that if there
is any change the other form must be
used. H.S. 12.8.98

over the suggestion that it might be left to the
parties themselves, either to send in a
full form certificate or
instead by Revenue on
page 8 of the Office Note, or a
'no change' certificate as suggested by
Public at the foot of page 2. I say
this, because the 'no change' certificate
at Q, requires the actual date of the
submission of the previous return to
be remembered and entered; and
whether many officers keep copies of
such returns or remember such dates

Would be a copy of the 15.9.98
return kept by the officer in charge
in the office in which he was serving
at the time of the submission? I should
think so. However, no objection
is shown to the acceptance of
H.S.'s suggestion.

Full Revenue Dept. has
suggested it has any
objection to the proposal,
in the note marked A,
to substitute for the return
now submitted annually
a "no change" certificate
in the case of officers who
have not become possessed
or dispossessed of land
during the year under
report.

It is reported that there
is an oversight 'Revenue' on
not consulted before.

Rev. Dept.

To the Under Secy

There does not ap-
pear to be any objection to the
draft being combined with the

6.9.98 Secy. The Secy had H.S.
have already noted. But I

Dept. has been out
 way it may be submitted
 that the ~~present~~ ^{present} ~~present~~ ^{present}
 involves the risk of
 acquisition ^{or relinquishment} ~~of~~
 occasionally omitted. For
 example, at the time
 of sending in the yearly
 return ~~concerning~~ ^{concerning} ~~of~~
 acquisition the acquisition
 of a bit of land or a house
 might be more or less
 completely neglected but
 the item is omitted, ~~perhaps~~
 as all the formalities
 of the transfer have not
 been completed. Hence
 the item may perhaps
 again omitted either
 oversight or intentional
 it can be pleaded that
 the Officer thought he had
 reported it ~~in~~ in the
 previous year. The necessity
 of making a full & complete
 declaration of all landed
 property once every year
 is a safeguard against such
~~the~~ ^{it} ~~could~~ ^{it} ~~give~~ ^{could} ~~any~~ ^{give} ~~appreciable~~ ^{appreciable} ~~amount~~ ^{amount} ~~of~~ ^{of} ~~such~~ ^{such} ~~trouble~~ ^{trouble}
 1998

He can plead this with greater effect
 while on the other hand he runs
 risk in omitting an item for
 statement which purports to
 be complete

In the case of the returns
 submitted by Dpt 7 the
 as to the Rev. Dpt., I think
 it most necessary that
 they should submit a full
 return every year, just
 as they do now.

ORDER No 1228, 28th Sept 1898
P.S.

Recorded.

2. The submission by officers of the I.C.S. of the return of land and shares, prescribed in G.O. No. 255 Rev., of 22-2-84 having been discontinued, the Govt. considers that the return may also be dispensed with in the case of military officers in civil employ and Covenanted Civil (Stanley) Engineers in the P.W.D., who still submit it in accordance with that G.O. It will however be the duty of an officer on learning that he is to be ~~transferred~~ *the operation of any law or rule* posted to a district in which he holds ~~an estate or~~ shares, to report his investments to the Head of his Department.
