No. 1262

OFFICE OF SANITARY COMMISSIONER,

Post St. George, 3rd June 1898

LOCAL DEPT. 15252

From

SURGEON-LIEUT. COL. W. G. KING, M.B., C.M., D.P.H.,

SANITARY COMMISSIONER FOR MADRAS,

To

The

Secretary to Government,
Local & Municipal Department.

Enclosure.

SIR,

I have the honor to request Government will be pleased to allow provision being made for a bacteriological laboratory being attached to this office. Government is aware that in the budget for 1896-97 the sum of Rs 2,000 was provided for bacteriological apparatus. The whole of this has now arrived. Further, in the budget for 1897-98, a sum of Rs 250 was allotted for furniture for this laboratory. This has also been procured. It is, however, essential that a special building be provided, as there is ^{not} ~~no~~ that room (not do I think it would be approved by Government if space were available) to conduct work of this nature within the Secretariat building. It has been suggested that the laboratory should be united

E

20 916 Fm 22-11-95

20 821 Fm 30-11-96

united with that in the Medical College.
There however is no room there. Moreover,
there are several inconveniences that would
be encountered in conducting work of the
nature required, in what is an educational
institution under the command of an
officer not connected with this depart-
-ment. I would, therefore, suggest that
Government be pleased to allow Grass-
-more, which is in the possession of
Government, to be handed over to
this Office for the purpose!

I have the honor to be,
Sir,

Your most obedient servant,

W. T. S.

Surgeon General,
Sanitary Commission for
Madras.

In,

Enclosures.

With reference to your Memo.
No. 715 D dated 25th May 1898, I have the honor
to inform you that I do not think there
will be any difficulty in procuring the
building or buildings required.

Mr. J. Annamalai Chetty has
just completed a very good house near
the Museum in Gasamajor Road, where
he is willing to rent to Government for Rs.
175/ per mensem, it seems well suited
for an office - he would like to know at
an early date if the Government will
require it, as he has offers.

I think it would be advisable
if the officers concerned would state where
abouts they would like their offices.

I have the honor to be
Sir
Your most obedient servant

As I said.

OFFICE OF SANITARY COMMISSIONER,
Camp Chavakola
Fort St. George 21 Sept 1898.

From

SURGEON-LIEUT.-COL. W. G. KING, M.B., C.M., D.P.H.,

SANITARY COMMISSIONER FOR MADRAS,

To

THE

Under Secretary
to Government
P. W. Department.

Enclosure.

SIR,

With reference to your letter N° 3951C dated 9th September 1898, I have the honor to state that the minimum floor space required for my office staff would be 2224 Sq feet. In addition, record would require not less than 1500 Sq. feet floor space.

2. I would take this opportunity of pointing out that if, as I was given to understand by the Consulting Architect, it is the intention of Government to locate my office in the old High Court buildings that both myself and every member of my office staff will be put to much inconvenience and loss of time in travelling.

3. Of buildings that I understand

understand are available. if it
be necessary that my office be
retained in Madras (as to which *
there is no apparent reason) For many
I consider the old Ophthalmic years the office
Hospital near the Egmore was at a rental
Station would be fairly suitable - of Rs. 80. a year.
ble. ^{located near}
^{the Jayarampet}
^{Post. Madras.}
^{1884.}

4. I may however point out
the late Superintending En-
gineers Office at Saidapet
as a position that would suit
both myself and the staff.

The building belongs to Govern-
ment and, therefore, no re-
curring expenditure for rent
would occur. It is used
by the District Board Chugle-
put, on condition of receiving
six months notice to vacate.

At present, it is occupied
by the Local Fund Engineer.
I have no doubt the District
Board would waive its right
to this lengthened notice. The
space required for the office
staff in the building is suf-
ficient; I should but require
a rough building attached
for

for records. This place offers
an admirable position for a
bacteriological laboratory, which
it is hoped, at some future
time will be attached to
my office. In regard to dis-
tance from Madras, my mana-
ger and clerks, with one excep-
tion, are prepared to move to
Saidapet; as they can obtain
houses cheaper and escape
municipal taxation, whilst
the climate is regarded by them
as undoubtedly healthier.

I have the honor to be
Sir

Your most obedient
servant

W. H. H.

Superintendent
Sanitary Commissioner
for Madras

Public Department.
