[Despatch Abstract.]

Considering that the provision of a White ward at Anantapur on the standard plan approved by Govt should suffice, stating that it should be built if the Municipal authorities are willing to bear the cost, & directing that, as soon as it is ready for occupation, the present hospital should be handed over to the Municipal Council.

 the Municipality may, it
 is submitted, be told that
 it must arrange with the
 I.G. to build the small
 hospital which he requires,
 the plans being submitted
 to him for approval before
 work is begun. Between them
 they may arrive at a
 compromise. As it is, neither
 the S.G. nor the I.G. is, probably,
 anxious to hand over the
 present hospital: hence
 the delay & difficulty in
 obtaining moderate proposals
 in the matter.

I think a ward
 is quite enough & the I.G. gives no
 reason why a hospital should be built.
 It is true the Provincial have not got
 the money to spare now. All expenditure
 is being cut. I am sure
 the I.G. and the S.G. to hand over the
 place by a firm date.

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to S.O. No. 1008,
 Public, dated the 8th August 1898, I have
 the honor to state that the maximum
 number of Police sick treated on any one
 day is 16 and a ward may therefore
 be constructed on the standard plan.

2. I am, however, strongly
 of opinion that, as Anantapur is the
 Head Quarters of a District, it should
 be provided with a hospital quite separate
 from the Municipal hospital both in the
 interests of the Police and of the patients
 in the Municipal Hospital.

I have the honor to be,

Sir,

Your most obedient Servant,

SIR,

ENCLOSURES.

With reference to G.O., No. 1008, Public, dated 8th August 1898, I have the honour to submit to Government a letter from the Surgeon General from which it will be seen that the maximum number of patients on any one day in the Police Hospital at Anantapur is 16. 2. I agree with the Surgeon General that it would be preferable, in all interests, to have a separate hospital for the Police, even if some modification of the standard plan has to be made for the sake of economy and in consideration of the smaller number of patients

for

for whom accommodation is required.
I trust, therefore, that the Municipality
may be permitted to construct a small
Police Hospital in return for the
building which they will receive.

I have the honour to be,
Sir,

To L & M Dept for ex.
✓ - P.W.D. R.S. 10

The Govt. considers that a
ward should be built.

- 2 - The I.G. will be requested
to obtain from the P.W.D.
an estimate of the cost of
building a ward on the
standard plan with the
necessary accommodation.
The Municipal authorities
should then be informed
of the sum required, and
they are willing to bear
the cost the ward should
be built. As soon as it is
ready for occupation the
present hospital should
be handed over to the
Municipal Council.
3. The matter has now been
long pending, and the Govt.

Lopes that a final
 settlement will be arrived
 at without delay.
