The note on the

genesis of the proposal.

The Govt. of India
inquired whether a
European Criminal Lunatic
from whom there was no
accommodation in the
Rangoon Lunatic Asylum,
could be transferred to
the Madras Asylum -
there being no accommo-
dation here, the reply
had to be in the negative.

This Govt. then
suggested that it would
be well to at least
making provision for a
few European Criminal
insanes in the Madras
Asylum, as such cases
might any day occur.

The

The memo at III was accordingly sent. The S.G. reply was discussed at O.

preparation of plans & estimates for 6 cells (4 for males & 2 for females) has already been ordered. The present question relates to the establishment which will be required after the cells have been built. This may not be for some time to come, as the plans & estimates must first be received, approved & sanctioned, & funds for the work must then be found. Considering the very large amount of estimates for works which have been sanctioned in the P.W.D., & for which funds have not yet been allotted, it may be years before a grant is made for these cells.

The question of now sanctioning the establishment on account of the cells might perhaps be regarded as premature.

There appears to be no objection to ^{fixing} ~~proposing~~ the establishment at once - so that it may be obtained without delay when the cells are built.

Establishment at the
Madras Lunatic asylum

FOR ORDERS.

In G.O. 686 Public d.
19-5-98 Govt. decided
that accommodation should
be provided at the
Madras asylum for four
male & two female European
criminal lunatics, & the
S.G. was asked to make
proposals for the additional
establishment required.

His proposal is to
obtain:—

- one European attendant at
Rs 50 per mth. & Rs 10 for
house rent.
- 3 male native attendants
at Rs 15
- 2 female native attendants
(at Rs 8 & 6)

that is six persons in all to

look after sea lunatics.
The Moon is it is
submitted large than is
necessary, and 2 male &
one female native attendants
should perhaps suffice.

The A.G. at first
objected remarked that
the grant of house rent
to the European attendant
would require the sanction
of the Govt. of India, but
on being asked to explain
his grounds for this view
he has replied that no
reference to the Govt. of
India is necessary.
