Please see para 2 of the D.A.G.'s
endorsement. There appears to
have been no retirement from
the 1st B. since the Presidential
Army system was established.
Previous to the military Dept of
this Govt used to deal with
such cases.

The position of the relations between this
Govt of the D.G. has still to be settled.
Submitted that, in the absence of any
approach as to the correct course
to adopt, Dr. Bramford's letter
should be forwarded to

This seems
 undoubted by the proper
 course - in the absence
 of any instructions from
 India to the contrary.

 please express the entire
 concurrence of Govt. with the

 say that Govt. has pleasure in sending its intimation with
 state of efficiency which Dr. H. has
 brought the hospital of which he has
 for so many years in charge &
 greatly up to his services.
 This will be better than merely re-
 peating what the L.G. says. If
