Copy of a letter from the Senior Medical Officer
General Hospital to the Deputy Surgeon General
with the Govt. of Madras. No. 8323/2
dated 24th February 1898

I have the honor to request that in accordance with para 5 of G.O. N. 304, Public, dated the 28th February 1896, the sanction of Government may be obtained as soon as possible for the employment of the Extra servants enumerated in the margin. Their employment has been rendered absolutely necessary by the number & variety of cases of contagious diseases now presenting themselves for treatment in Hospital and the present staff is not elastic enough to permit of the separate attendance required for the following diseases:

- Cholera
- Small-pox
- Chicken-pox
- Measles
- Erysipelas

Cases of all of which are now under treatment in this Hospital.

At present the dangerous practice of the same nurse and ward attendant having to look after cases of measles and chicken-pox has perforce to be carried out and as regards the Nurse, she has also in addition to attend the Small-pox cases, while the Cholera patients are looked

Two Nurses.
Four Male Ward Attendants.

by Special Ward attendants and when possible a Probationary Nurse is detailed on sole charge of the Cholera cases.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

No 323/2 d/24-2-98

I have the honor to forward copy of a letter from the Senior Medical Officer, General Hospital, requesting sanction for the entertainment of 2 nurses & 4 male ward attendants as a temporary measure. The condition of affairs in the hospital as disclosed is so bad that it needs no word of mine to emphasize its gravity. Putting aside the fact that the nurses run a treble risk the danger to the patients is self-evident and equally great. Under the circumstances I request that the very early sanction of Government may be accorded to the entertainment of the proposed additional establishment. The extra nurses should be paid and rationed as 2nd grade and the ward attendants as third grade. The Senior Medical Officer should dispense with their services as soon as the present

press of cases in the Isolation Wards has
passed away.

I have the honor to be,

Very respectfully,

C. S. Thorpe,
