OFFICE NOTE.

From The Secretary P. W. D.

To The Chief Secretary

With reference to G.O. No 384, Public, dated 5th April 1897, and G.O. No 506 dated 4th May 1897 I should be glad to know, in the interests of the Under secretaries of this department who wish to make their domestic arrangements, in what rotation the Chief Secretariat proposes to arrange the stay of the three signing officers at Madras during the present year.

Last

Last year the order was:
Assistant Secretary } 2 months
under C.S.

Under Secretary P.W.D. 1

- DO - DO - Irrigation 3 -

The Under Secretary for Irrigation has informed me that if it can be conveniently arranged, it would suit him best to take one month of his three months on the hills at the commencement of the stay of Government there and two months later on.

NOTE FOR THE CHIEF SECRETARY.

The existing order as regards the signing of papers in Madras and the regulation of the movements of the Under Secretaries in the P.W.D. and the Asst. Secretary is G.O.No.384 Public, d/5th April 1897, which decided that during the absence of Govt. from Madras, papers for issue from Madras in all departments shall be signed by the Under Secretary, P.W.D., General Branch, the Under Secretary P.W.D., (Irrigation) and the Assistant Secretary to Government, one of whom must always be available at Madras for this duty, and that subject to this proviso there ~~shall be~~ no objection to these officers being attached to the head-quarters of Government at Cotacamund. Accordingly last year the officer performing the work of Assistant Secretary remained in Madras from the 20th April till the 19th June, the Under Secretary, P.W.D., General Branch from the 20th June to the 20th July and the Under Secretary, Irrigation Branch, from the 21st July until the end of the stay of Government on the hills.

The Secretary, P.W.D., enquires in what rotation the Chief Secretary proposes to arrange the stay at Madras of the three signing officers during the present year. The Under Secretary for Irrigation wishes, if ^{it} can be conveniently arranged, to take one month of his three months on the hills at the commencement of the season.

How can this be done? He will not only have to pay his travelling exp. himself ^{on} ~~from the hills~~ but also those of the Asst Secy if that officer has an extra journey.

season and two months later on.

If this proposal is carried out, ~~the~~ three middle months will have to be provided for. Of these the Assistant Secretary stays for two months and the Under Secretary, P.V.D., General Branch for one month.

As the Assistant Secretary is now in the Local and Municipal Department, it is submitted that the best course will be to refer the papers to the Secretary of that Department and ask him to submit joint proposals ^{to} the Secretary and Joint Secretary to Government P.V.D. These can then be formally approved in Public.

I shall take last 3 course followed; unless Mr. Wilson has domestic reasons, in which case I am willing that Mr. AS shall spend the last two months instead of the first two in Madras.

NOTE FOR THE CHIEF SECRETARY.

With reference to the Chief Secretary's note dated 14th February '98 on the note below, the case appears to stand as follows:-

If A, P & C represent the Assistant Secretary and the two Under Secretaries, P.V.D., and if the procedure of last year ~~was~~ followed then

- A.S. A would remain the first two months in Madras;
U.S. P.V.D. B would take the next month and
U.S. I. C would take the remaining three months

The moves involved would be as follows:-

- P & C one up journey when Government moves
A one up journey at the end of his period
P one down journey
" one up journey at the end of his period
C one down journey at the end of his period and
A & P one down journey at the end of the stay of Government on the hills,
the result being that A, P & C would each make one up and ^{one} down journey, whilst P would make an extra journey each way.

If the arrangement were as follows which is apparently what the Under Secretary for Irrigation wishes,

in Madras.

B would do one month ^A U.S. P.W.D.
C -----do-----three months. and U.S.I.
A -----do-----^{two}one month ³ A.S.

and the ~~the~~ moves would be

A & C one up journey with Government

B one up journey at the end of his period.

C one down journey

" one up journey at the end of his three months.

A one down joureny and

B & C one down journey with Government

the result would be that

A, B & C would each make one up and

one down journey whilst

C in this case would take an extra up and down journey.

This would be the same to Government.

NOTE FOR THE CHIEF SECRETARY.

S I G N I N G o f P A P E R S

The Secy. to Govt., P.W.D. would prefer to have the order regarding the signing of papers this year so worded that the Under Secretaries of that Dept. would be able to make their own arrangements for the last four months, but if definite periods must be laid down, he asks that the time may be distributed as follows:--

Under Secretary, Irrigation Branch, to be in Madras for the 3rd, 5th and 6th months

Under Secretary, General Branch, to be in Madras for the 4th month.

The arrangement would then be

in Madras

Asst. Secy. = A = 1st two months

Under Secy. Irrⁿ = C = 3rd month

-Do- Genl. = B = 4th month

-Do- Irrⁿ = C = 5th and 6th

months

and the moves would be as follows:--

B & C = one up journey with Govt.

A = one up journey at the end of the second month

C = one down journey - do-

C = one up journey at the end of the third month

B = one down journey - do-

B = one up journey at the end of the fourth month

C = one down journey -do-

A & B = -do- with Govt.

so that A, P & C would each perform one up and one down journey and besides this B & C would ^{each} perform an extra up and an extra down journey. It will be seen by reference to the notes flagged that this involves an extra up and an extra down journey on the part of one officer.

The periods during which each officer shall stay on the Hills should be definitely arranged. Under present proposals the Under Secy Irrigation Branch & the Under Secy. General Branch will each have an extra journey up and an extra journey down. This must be at their own expense. Do they understand & agree to this. If so there seems no objection.
