OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Madras, 14 March 1898.

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, C.B., F.R.C.P.I.,
SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,
Public Department.

SIR,

I have the honor to state that in September 1897 Surgeon Major C. B. Thompson M.B., Civil Surgeon, Botacammund having been temporarily withdrawn for military duty, Surgeon Major W. B. Browning was, with His Excellency the Governor's permission, deputed to conduct Surgeon Major Thompson's duties in addition to his own.

2. On the departure of Dr. Browning from Botacammund, on duty, Surgeon Major Kelawala in Medical charge of the 4th Madras Pioneers was nominated to act as Civil Surgeon without prejudice to his own duties.

3. The Principal Medical Officer, Madras Command, now informs me that the 4th Madras Pioneers are about to leave Botacammund and that I should make other arrangements for the Civil Medical Charge of

(under seal)

Enclosed for the

of the station.

4. The Government is aware that I have no full time officers available at present and as the hot season commences from next month it will be practically impossible to arrange for the efficient performance of the Civil Surgeon's duties by a part time officer.

5. I would therefore strongly urge on Government the necessity for applying by wire to the Government of India with a view to Surgeon Major Thompson being sent back on or before the 1st April.

6. As the outlook on the frontier does not now appear to be very serious and as the Military Department is returning Military Assistant Surgeons temporarily withdrawn from Civil employ, to their duties I trust that it may be found possible by the Military Department to spare Surgeon Major Thompson's services.

C. S. Thompson
Major General
