and the defendant (the Secretary of State)
has to file certain of the bills of sale
for lands purchased by the Madras Explanatory
Committee in 1822 &c as per accom-
panying statement from certain
private parties. These bills of sale
were searched for in the records of
this District, but have not yet
been traced. I therefore request you
to be so good as to direct an
immediate search to be made in
the old records of the Military

Cd ORDER. 449 of 17-3-98

The Collector of Madras will be informed that the bills of sale referred to in the foregoing letter cannot be traced. The marginally noted papers & extracts, which bear on the subject, will however be furnished, with the request that the originals may be returned when no longer required.

2 It is observed from para 5 of a letter from the Collector of Madras to the Board of Revenue, No 131, dated 26 November 1836, that it appears to have been customary on any land being purchased by the Esplanade Committee for the bill of sale to be forwarded to the Chief Engineer prior to its being ultimately lodged in the Collector's office.
