NOTE FOR THE Public Dept.

Supt. that it will be unsafe to permit the As. to meet further costs and leave the question of adjustment for settlement hereafter. The fees in that case would be debited to Provincial & if the Govt of India subsequently recovered from Mr. Narain Rao the transfer of the amount to Prov. might be barred as inter provincial adjustments are forbidden.

Under the circumstances it is perhaps safer to ask India to provide funds - we shall probably receive them, which appears never yet to have been given - a definite promise that the charges will eventually be debited to Imperial & not to Provincial funds
