SIR,

With reference to the removal of the plague observation camp from Guntakal to Tungabadra, I have, from a meeting with the Collector of Bellary and the Sanitary Commissioner, ascertained that they contemplate the possibility of Surgeon Major Hakim, the Anantapur District Medical Officer, acting as Medical Officer at the Tungabadra camp. His removal from Anantapur District would cause grave public inconvenience. Besides having the ordinary heavy work of a District Medical Officer and being constantly wanted by patients at the various Railway Stations, he is Chairman of the Anantapur Municipality. Should any

To  
THE ~~UNDER~~ SECRETARY TO GOVERNMENT,  
Local & Municipal DEPARTMENT.

SIR,

In returning the paper referred to me for remarks with your endorsement No. 275, dated 7<sup>th</sup> March 1898, I have the honor to state that up to this no order has been received by me regarding the transfer of the plague inspection station to Tangahadra.

2. In the event of such transfer being decided upon by Government I am of opinion that Surgeon-Major Hakim should proceed to Tangahadra as Government has repeatedly pointed out that plague inspection stations should be held by Commissioned Medical Officers.

3. As Surgeon-Major Hakim cannot retain charge of his own district while at Tangahadra it will be necessary to relieve him of his duties as District Medical and Sanitary Officer, Anantapur, by one of the temporary private doctors.
