to the Medical charge of the Jail to enable him to draw the local allowances of Rs 100 attached to that charge does not seem to be correct, and no special notification would appear to be called for. ^{Besides,} If the A.G.'s contention were admitted, each time that the appt. of a D.M.S.O. is notified in the Gazette the fact of his holding medical charge in cases where local allowances are attached will have to be notified as well - a course which has not been hitherto followed as a rule and which appears to be unnecessary.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

DEPARTMENT.

SIR,

The Accountant-General objects to pass the allowance admissible for medical charge of the Central Jail Coimbatore to Assistant Surgeon Amirthaswamy Pillai, the present acting District Medical and Sanitary Officer, on the ground that in Notification No 517 published at page 1292 of the Fort Saint George Gazette, dated 26th October 1897, he was not appointed to the medical charge of the jail.

2. Government is aware that except when the District Medical and Sanitary Officer is also appointed Superintendent of the jail, the notification gazetting him to the District makes no mention of his medical charge of the jail - as it is an understood fact that a District Medical and Sanitary Officer is also the medical Officer of the jail in his District - unless

such jail has a special Medical Superintendent. According to this practice no objection has hitherto been taken to pay District Medical and Sanitary Officers their jail allowance without any special notification. I have therefore the honor to request that the Accountant General may be instructed to waive his present objection and to pass jail allowances in future according to the usual and recognized custom.

In notification No. 517 published at page 1292 of the Fort St. George Gazette dated 21st October 1897 M. H. N. P. D. L. Annithaswamy Pillai was appointed only to act as District Medical and Sanitary Officer Coimbatore but was not appointed to the Medical charge of the Central Jail Coimbatore as required by article 190 Civil Service Regulations. It is therefore necessary that he should be formally appointed by Government to the Medical Charge of the Central Jail to enable this office to authorize the payment of the allowance referred to in that article.

FOR ORDERS.

Please see the notice in the docket of the current. From footnote (a) on page 166 of the Civil List it will be seen that the medical charge of certain Central jails (Coimbatore amongst the number) to which a local allowance of Rs 100 is attached, is by rule held by the D. M. & Sanitary Officers of the Districts in which they are situated. On these grounds the necessity for notifying the jail charge each time a D.M.S.O is changed does not appear to arise. On the other hand, article 190(a) of the C.S.R. appears to contemplate an appl. to the med. charge before the allowance is admitted. It is on this ground that the A.G. bases his objection.

When the Supdt is a non medical officer

apparently. The A.G. cannot see any chance of confusion as when there is a Medical Suppl. there is no medical charge allowance.

The A.G. might be instructed

to admit the allowance ^{in such} ~~to A.P.~~ ^{the intention was to} ~~case~~ ^{Appt. A.P. for medical charge of the Jail,} and the S.G. told to ~~include~~ mention the jail charge in future of draft minutes of appt. in such cases.
