Copy of a letter from the Surgeon, 3rd District Madras to the Secretary, Surgeon General with the Govt. of Madras. No. 125 dated 1st December 1897.

I have the honor to forward the enclosed letter No. 158, dated 26th November 1897, from the Honorary Secretary Civil Orphan Asylum protesting against the employment of the ward attendant of the Asylum Hospital on duties of messenger &c. connected with my office as Surgeon 3rd District.

2. Hitherto it was the practice to make use of the above attendant for duties pertaining to both the Asylum hospital, and the 3rd District office, but as the Secretary has now objected to this procedure being continued owing to his frequent absence from the Asylum Hospital, where his legitimate duties lie, I have the honor to solicit the favour of the sanction of the Surgeon General being obtained to my entertaining a peon for my office.

3. That the entertainment of a peon is essential will be seen from the multifarious duties he has to perform a few of which are given below :-

- i. - Carrying of letters &c. to the various public offices.
- ii. - Attending at my office, as also at

at post-mortem examinations for inquests &c:
iii - cleaning and care of office furniture,
record, books &c:

Should it however be considered that letters
&c., intended for Public offices might be
posted, I would add that even in that
case a peon would be absolutely necessary
to carry such letters to the post.

4. It seems to me to be very hard on
the Asylum Hospital to deprive it, so
very frequently, of its only attendant, more
especially when there are patients in both
hospitals (i.e. boys and girls) and when the
services of the nurse cannot be had on
both sides at the same time.

5. I am given to understand that the
officers of the Surgeons of the First, Second
and Fourth Districts have each a peon and
the inconvenience that will arise by the
non-employment of one for this district
can well be imagined particularly now
that the use of the ward attendant referred
to above for such purposes has been objected
to.

6. Under the circumstances represented
above and for various other reasons, which
need not be given in detail, I trust that
the Surgeon General will see the necessity
for a peon and be pleased to accord his
sanction for the entertainment of one person

as possible.

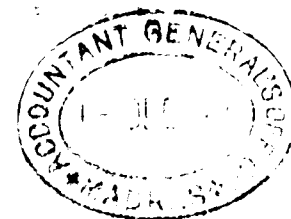

7. The annual cost of the same would
be No. (84) eighty four which I fancy is
the same in the other medical districts.

Public DEPARTMENT.

SIR,

In my letter No. 689, dated 20th December 1894, I recommended that the District Surgeons in Madras should be allowed a peon each on Rs. 7 per mensem for their offices, but in paragraph 5 of G. O. No. 65, Public, dated 28th January 1895 — Government did not see the necessity for the same.

2. I have now the honor to forward for the information of Government copy of a letter received from the Surgeon, 3rd District, bringing to notice the urgent necessity for a peon for his office.

3. The only menial servant now under the orders of the Surgeon, 3rd District is the ward attendant of the Civil Orphan Asylum Hospital and it will be seen from his letter that the Honorary Secy of the Asylum objects to the ward attend.

services being utilised for duties in connection with the 3rd District. This leaves the District without any kind of servant for official work and I therefore request that Government will be pleased to reconsider its previous decision and sanction a peon on Rs. 7 a month for the 3rd District as a special case.

4. On receipt of the sanction of Government the necessary proposition statement etc. will be submitted.

I have the honor to be,

Your most obedient servant,

C. Sibthorpe

SIR,

With reference to your memorandum, No: 564, Public, dated the 2nd March 1898, I have the honor to state that G.O. No: 942, Public, dated 14th November 1895 quoted therein does not appear to have any bearing on the subject under consideration. My letter No: 2/458, dated 19th July 1895 was disposed of by G.O. No: 678, Public, dated 7th August 1895 which I have already quoted in para 2 of my letter No: 188, dated 21st February 1898.

a mistake for 678
which was done by
both G.O. No: 678
and G.O. No: 942
I am sorry to hear
of this mistake

2. What I meant by para 4 of my letter No: 2/458, dated 19th July 1895 was that the peon of the 2nd District should do work for the 3rd District as regards post mortem examinations, when conducted in the mortuary of the 2nd District. I did not mean that in addition to this the peon should do his ordinary duties.

both in the 2nd and 3rd Districts which is practically impossible.

C. Nos 69,753 + 996 of 1898.

SUBJECT.

Application for a peon for the office of Surgeon, 3^d district.

FOR ORDERS.

GO 65 of 28.1.95 (para 5) dis-
allowed the Surgeon Genl's proposal
that District Surgeons at the Presidency
town should have a peon each. In
G. C. No. 69 by the S. G. requested sanction,
as a special case, for a peon on
Rs 7 per mth for the Surgeon, 3^d
district, on the ground that the
services of the ward attendant of
the Civil Orphan Asylum - who is
the only menial servant under the
orders of the Surgeon - ^{are no} ~~unavailable~~
^{longer} ~~not~~ available as the Honorary
Secretary of the Asylum ^{objects} ~~was objecting~~
to their being utilised for duties
connected with the 3^d district.
As it appeared from the Surgeon's
letter forming an enclosure to the
above current that he based

his request ^{the fact that} ~~inter alia~~ on ~~which~~ he was "given to understand that the offices of the Surgeons of the 1st, 2^d & 4th districts have each a peon"

the Sdy. was asked to report on this statement which, if true, was in contravention of para 5 of G.O. 65 of 28.1.95 quoted above.

2. In CNo. 753 the Sdy. replied that the peons utilised by the Surgeons of the 1st and 4th districts were those belonging to the Native Infirmary and Royapetta Hospitals under their respective charge and that a temporary peon for the 2^d district was sanctioned in G.O. No. 678 of 9.8.95 (para 3).

In para 4 of his letter, however, disposed of by that G.O. the Sdy. had stated: "The other Dt. Surgeons are not allowed a peon and a toty each as the work for which these proposed men are reqd. in the 2^d district, is performed by the hospital servants in Royapuram and Royapetta. For the 3^d district all post-mortems are carried on in the mortuary of the 2^d district x x as there is no special mortuary for the 3^d district - so that this peon and toty would also

"do work for the 3^d district". In view of this the Sdy. was asked why the peon of the 2^d district should not work for the Surgeon, 3^d district.

3. CNo. 996 is his reply wherein he states that what he meant by the para just quoted was that the peon of the 2^d district should do work for the 3^d district as regards post-mortem examinations, when conducted in the mortuary of the 2^d district and that he did not mean that the peon should do his ordinary duties both in the 2^d and 3^d districts which, he says, is practically impossible.

4. Submitted - that in view of the changes which are likely to be introduced in connection with the re-organisation scheme it would perhaps be sufficient to sanction the peon now applied for as a temporary measure only.

The Surgeon 3^d district holds his office at the Civil Orphan Asylum & his clerical work is done by the medical staff
