**G.O., &c., Nos. 509-A, 509-B, 2nd April 1898.**

**APRIL.**

**Civilians for the Central Provinces.**

Informing the Government of India that the services of Messrs. R. F. Grimley and F. S. A. Slocock have been placed at the disposal of that Government for employment in the Central Provinces, and that this Government has no objection to the permanent transfer of Mr. J. Walker to the Central Provinces.

## GOVERNMENT OF MADRAS.

## PUBLIC DEPARTMENT.

READ—again the following papers:—

G.O., R. No. 1180, Public, dated 8th November 1890.

ABSTRACT.—Placing the services of Mr. James Walker at the disposal of the Government of India, in the Home Department, for employment in the Central Provinces; and directing Mr. Walker to report himself to the Chief Commissioner on relief by Mr. J. F. Wetherill.

G.O., Nos. 196, 197, Public, dated 10th March 1893.

ABSTRACT.—Directing that the Government of India be informed that this Government will not object to the services of Mr. James Walker being replaced at its disposal, but that it is impossible to place at the disposal of the Government of the Central Provinces the services of either of the two officers named who are acquainted with Uria.

G.O., Nos. 296, 297, Public, dated 27th February 1896.

ABSTRACT.—Informing the Chief Commissioner, Central Provinces, that this Government has no objection to the retention of Mr. James Walker, I.C.S., for a further period of three years.

G.O., No. 470, Public, dated 20th April 1896.

ABSTRACT.—Recording a letter from the Government of India sanctioning the retention of Mr. James Walker, I.C.S., Madras Establishment, in the Central Provinces for a further period of three years with effect from the 2nd December 1895.

READ—also the following papers:—

From J. P. HEWETT, Esq., C.I.E., Secretary to the Government of India, Home Department (Establishments), to the Chief Secretary to the Government of Madras, dated Calcutta, the 27th January 1898, No. 42.

With reference to the correspondence ending with the endorsement from this office, No. 274, dated the 8th April 1896, I am directed to address you regarding a representation which has been received from the Chief Commissioner of the Central Provinces for assistance in carrying on the administration of those Provinces.

2. I am to explain that the total number of cadre posts in the Central Provinces has been fixed at 56, of which 37 are superior and 19 inferior. The number of officers required for these posts is 77, viz., 49 for the superior posts, 20 for the inferior posts, and 8 in training. The most careful forecast that can now be made of the state of the Central Provinces Commission at the end of 1898 gives 29 and 25 officers, respectively, available for superior and inferior appointments, and 9 in training. This represents a deficiency of 20 superior officers against an excess of 5 inferior, the net deficit being 15. A reduction by 15 of a total strength of 77 must obviously cause inconvenience, but the matter is more serious on account of the deficiency of officers qualified for superior appointments. Thus of the 29 officers available for superior posts at the end of 1898, 18 will be taken up by the higher administrative, judicial, and departmental appointments, and 11 only will remain for the charge of 18 districts,

leaving no allowance for temporary appointments and deputations or for leave. Unless, therefore, the Central Provinces Commission can be strengthened, it will be necessary either to entrust practically the whole of the district administration to men of inferior standing or to curtail leave even more rigidly than has now been the case for several years past. The former alternative cannot be accepted, and the latter is much to be deprecated as many of the officers of superior rank have, during the past year, suffered considerably from the strain of extra work due to the famine and need the leave due to them.

3. The Government of Madras will thus observe that it is essential that assistance should be afforded to the Administration of the Central Provinces as regards the officering of the headships of districts. The difficulties of the Chief Commissioner are, to a great extent, due to the abnormal number of casualties in 1897, and, as far as it can be foreseen, will largely disappear a few years hence when the young officers who have been appointed of late years are qualified to take charge of superior posts.

4. On examining the state of the services in the Provinces which are likely to be able to assist the Chief Commissioner, the Governor-General in Council is satisfied that the Government of Madras are at present better supplied than other Governments with officers of the required standing. In these circumstances, the Governor-General in Council trusts that the Government of Madras will not object to the permanent transfer of Mr. J. Walker, whose term of eight years' deputation in the Central Provinces expires in December next, and who has expressed his willingness to remain there. The Lieutenant-Governor and Chief Commissioner of the North-Western Provinces and Oudh is being asked to consent to the permanent transfer of one of the four officers from his Provinces now serving in the Central Provinces, whilst it is proposed that one officer should be permanently transferred from Burma. I am further to inquire whether the Government of Madras can spare for a period of three years the services of two Indian Civilians, who are not natives of India, of 7 to 10 years' standing, to take charge of districts in the Central Provinces. The Government of Bombay have been asked to provide a Civilian of not less than 10 years' service who has judicial experience to hold one of the Divisional Judgeships in the Central Provinces for three years.

Telegram from the Secretary to the Government of India, Home Department, Calcutta, to the Chief Secretary to the Government of Madras, dated 10th March 1898.

Number 177, establishments. Your telegram 60, dated 14th February, two Civilians for Central Provinces. Chief Commissioner can give them permanent appointments as first-class Assistant Commissioners on return to North-Western Provinces of Messrs. Tabor and Cooke, two Civilians temporarily employed in Central Provinces. Former returns to North-Western Provinces at end of furlough apparently in November next, latter returns at end of 1898. But the Madras men would act at once on 1,333. This would give 1,145 to any officer of 1890, and Chief Commissioner would prefer that they should be of that year or at any rate junior to E. H. Blakesley, Civilian of 1889.

No objection need be made to the permanent transfer of Mr. Walker to the Central Provinces. I think however that Govt. should decline to lend the services of two more civilians for the next three years to the Central Provinces. No provision for a train of this sort was made when the recruitment for the service was arranged. We have just lost one civilian for Coorg which will henceforth be officered entirely by the Madras C.S. We have

men of 10 years' service in charge of districts, and at the other end of the scale we have men of 3 years' service who have not passed their higher standard exam. acting as Head Depts. The administration of the Presy. wd. I think be the worse if two more men of 7 to 10 service were withdrawn.

There is nothing unusual or alarming about this - It generally been the case that men have got acting Head Asstantships before passing the Higher Standard. I did myself & scores of others must have done so. I think therefore that this objection may be reflected. We shall probably hear in a few days of several officers having passed at the January exam and a good many more should pass at the July exams, especially as we have determined to make the passing easier. In the mean time we can do without them by putting up with the charge of Mr. Smith's Division as we have done before without prejudicial effect. I think we should do so rather than subject the Govt. of another Province

I think we should do so rather than subject the Govt. of another Province

Desires convenience from which we can help & retire it. This is very good, too, for our own province that a proportion of our men should have had administrative experience outside its borders. Men who have had this advantage are almost always all the more useful & efficient after their return to Madras.

The question, however, remains whether our men of 7 to 10 years' service ~~could~~ (that is, from 11-83 to 11-107 inclusive) would come to the C.P. as ~~Asst~~ Comrs. - If they would not, they can hardly be asked to do so, if not a pecuniary sacrifice. In the ~~Asst~~ Comrs. in the C.P. are as shown in the margin, according to the Civil Estimates for '97-'98. Now, ~~the~~ senior men of 10 to 7 years' service who have acting Collectorate have on Rs 1800 or 1900 a month or soon will have them. I don't suppose that any of them would take the acting ~~Asst~~ Comrs. in the C.P. But some of the junior might. They would gain little at first, but some might take the change. I think they should have the offer. If they refuse, we can but tell India so & that it must offer better terms. Probably it would, as it did two years ago in the case of Mr. Buckley when he went to act as Comr. in Cong.

NOTE FOR THE CHIEF SECRETARY.

The Govt. of India now state that the two officers required for the Central Provinces for a period of three years cannot expect permanent appointments before the end of this year; ~~that~~ that they would at once act on Rs.1333-54 per mensem; that this would give Rs.1145 <sup>and</sup> to any Madras Civilian of 1890 <sup>and</sup> that the Chief Commissioner would prefer that the officers selected should be of the year 1890 or at any rate junior to Civilians of 1889.

2. If the selection is to be restricted to the Civilians of 1890 and ~~the~~ below, it will not be necessary to consult any officer above 100 Mr.V. Venugopal Chetani and the ~~chance~~ chance should apparently be given first to 101 Mr.E.B Elwin and 102 Mr.C.G.Spencer, should they refuse to 105 Mr.W.W.Phillips and 106 Mr.P.S.P.Rice <sup>and</sup> so on omitting Civilians ~~of~~ who are natives of India.

Orders are solicited whether D.O. should be drafted accordingly beginning with Messrs. Elwin and Spencer

My dear Mr. Elwin

The Govt. of India has asked for the services of two Indian Civilians on the Madras establishment for a period of three years to take charge of districts in the Central Provinces. The officers whose services may be lent will act at once on Rs.1333-4 and this would give you a salary of Rs.1145 per mensem. You would probably receive a permanent appointment in the Central Provinces as 1st Class Asst. Commissioner towards the end of the year. Will you please let me know by wire whether you wish to be nominated for one of these posts?

My dear Mr. Phillips,

The Govt. of India has asked for the services of two Indian Civilians on the Madras establishment for a period of three years to take charge of districts in the Central Provinces. The officers whose services may be lent will act at once on Rs.1333-5-4 and this would give you a salary of Rs.1145 per mensem. You would probably receive a permanent appointment in the Central Provinces as 1st class Asst. Commissioner towards the end of the year. Will you please let me know by wire whether you wish to be nominated for one of these post

24. 3. 98

Dear Mr. Arnold,

In continuation of  
my telegram of today I send this  
letter. I asked for two days  
consideration of your offer to send  
me to the C. I., in order that I  
might consult my brother-in-law,  
<sup>who is Chief Secretary there,</sup>  
& have had a telegraphic reply  
from him. On the strength of that  
telegram I am unable to express  
a wish to be nominated for the

appointment, I wish to take  
leave this year, &  
furlough in the course of the  
next two years, if permitted,  
& am afraid that if I were now  
to be sent to the C.D. my  
leave arrangements would be  
considerably interfered with.  
As I am particularly anxious,  
for private reasons, to go home  
before the end of September, you  
can understand my unwillingness  
to take up an appointment,

which would preclude my doing  
so, & of the advantages of which  
I am dubious.

My brother-in-law is writing to me  
but as his letter cannot arrive  
for two or three days more, & the  
period of two days consideration  
granted to me, has elapsed,  
I confirm my telegram to the  
effect that I do not wish to  
be nominated for the Central Province.

Yrs sincerely  
W. D. Phillips

NOTE FOR THE CHIEF SECRETARY.

<sup>Grimley</sup>  
Mr. ~~Grimley~~ has accepted. Telegram has gone to Mr. Slocock. This will Mr. Knapp. The next officer is 112 Mr. R. A. Graham who is at present on special duty. Then comes 113 Mr. A. L. Hannay (Regulation of the High Court) and 114 Mr. E. L. R. Thornton. Orders are solicited. Perhaps Mr. Slocock's reply may be awaited. Mr. Thornton will take the offer down to the end of the Civilian of 1891 - India originally asked for his Civilian of from # 7 to 10 years standing / para 4 of its letter flagged / and it seems to be open to question whether officers of later years than 1891 should be offered the nomination.

Write to India that he is available & that his services will be ~~made~~ placed at disposal in Enquiry of 29th. Name of second officer will follow.

Dear Mr. Arundell

It is difficult to make  
his working of a telegram anything  
but vague though at his hand  
time I don't want to detain for  
over my own small affairs.

I don't want to go to the Central  
Provinces because I fear that  
like Jacob I should be a stranger  
in his land of Ham. I have not been  
nearer Madras than Tuticorin  
for years & consequently I know  
no one & none know me  
except yourself. if I may say so  
upon a most acquaintance. If  
I were to leave Madras

I should be more than ever a  
stranger. The novelty is tempting  
I believe it is a good sporting  
country. The pay would hardly  
be much inducement.  
Kumbakonam as you know  
would not be considered much  
of a country attraction but I would  
believe remain faithful to Madras.  
I hope you will not mind my  
writing like this.  
I am sorry that there is now no  
chance of meeting you again  
it is impossible though I fear  
last time my important work  
you miss our train! at Berkeley.  
Please give my best to
