SEVENTY-EIGHTH ANNUAL REPORT

OF THE

Friend-in-Need Society.

For the year 1897.

On the first of January 1897 the Society was Rs. 1,911-8-9 in debt. The income from all sources during the year was Rs. 31,535-14-8 and the expenditure Rs. 28,935-1-9, so that after paying off the deficit, the year closed with a credit balance of Rs. 689-4-2.

From this it might be assumed that the Society had received adequate support during the year. The General Committee, however, desires to draw attention to the fact that the Society was in debt during the whole period from January to November 1897, and that in consequence of this expenditure had to be considerably curtailed at a time when distress was more prevalent than usual, thus causing hardship to many who would otherwise have received relief. The receipts include the refund of Rs. 1,000 by the Committee of the Mount Road Workshop, a contribution of Rs. 1,650 through Mr. F. Rowlandson, being the nett proceeds of certain entertainments given in the Banqueting Hall, which was kindly lent for the occasion by H. E. the Governor, and of Rs. 2,687 subscribed in response to a special appeal. Had it not been for these receipts the Society would have been many thousands of rupees in debt at the close of the year.

From the following statement of the principal items of expenditure, it will be seen that in 1896 there was spent in out-door and in-door relief, and in connection with the

8
mendicity ticket system, no less than Rs. 25,191, while in 1897 the expenditure under the same three heads was only Rs. 21,455 or Rs. 3,736 less:—

Out-door relief.—The number of out-pensioners at the close of the year was 179, a decrease of 29 as compared with 1896. Casual relief to the extent of Rs. 1,173-8-10 was distributed though the Ladies' Committee to needle-women in the Society's workshops whose earnings were insufficient for their maintenance.

In-door relief.—There were 155 inmates in the Home on 31st December 1897, against 168 on the corresponding date in the previous year. Fifty-three persons passed through the Home during the year. There were eleven deaths; seven of men aged 38, 43, 69, 70, 71, 78 and 82 years, and four of women aged 20, 45, 63 and 68 years.

There was an outbreak of measles among the children and many of those attacked were unable to obtain admission to the General Hospital on account of want of accommodation. It therefore became necessary to use the school-room for

the segregation of the sick children. Surgeon-Lieut.-Col. H. D. Cook and his assistant, Mr. G. L. Philipsz, were in constant attendance and rendered every assistance.

The special subscriptions towards the Christmas and New Year's treats and new clothing amounted to Rs. 763. The expenditure was Rs. 300-9-3 on clothing and Rs. 365-12-2 on the treats. As in the previous year no application was made to the Central Christmas Charity Committee.

The Chaplains of Vepery kindly continued the weekly services in the Home for members of the Church of England.

Several ladies kindly visited the Home on Monday evenings to read to the inmates. Special thanks are due to Lady Bliss, Mrs. Benson, Mrs. Grose, Mrs. J. A. Jones, Mrs. O. R. Jones, Mrs. Whitmore Clarke, Mrs. D. Duncan, Mrs. H. H. Kelly, Miss Studley, Mrs. E. J. Shelford and Miss Sydenham Clarke for their kind efforts to brighten the lives of the inmates of the Home.

Mr. and Mrs. Crummey, the Master and Matron of the of the Home, and Mr. J. Ivatts, the Schoolmaster, have continued to efficiently discharge their duties.

The number of children boarded out fell from 36 to 29 at a cost of Rs. 1,642-4-6. They are distributed as follows:—

Mrs. Firth's Schools	... 17 girls.
The Industrial School	... 4 boys.
The Presentation Convent	... 3 girls.
The Adyar Orphanage	... 5 boys.

The Mendicity Ticket System.—The number of mendicants referred by subscribers to the Society was 243, against 262 in the previous year. Their cases were disposed of as follows:—

Admitted to the Home	... 8
Given work in the labour-yard	... 49
Given assistance in cash...	... 50
Provided with railway or steamer fares..	36

— 143

Ineligible for relief under the rules	...	11
Found undeserving of help	...	16
Not helped on refusing to work	...	22
Failed to appear before Hon. Secretary.	...	39
		88

Railway fares refused for want of funds.	10
Admission to the Home refused for want of funds...	2
	12

A large number of destitute persons applied direct to the Honorary Secretary, and were assisted according to their needs as far as funds would allow.

The Women's Workshops.—From the reports of the Ladies' Committees, which are attached as appendices, it will be seen that 200 women have had regular employment and have been enabled to earn Rs. 7,424 as wages. They have also received in cash and food from the Charity Branch Rs. 1,894, and in casual relief from the General Committee Rs. 1,173. The average paid to each woman was Rs. 52-8 per annum, the average earnings being Rs. 37. In other words, each woman received a little over four rupees a month, three-fourths thereof being wages and one-fourth charity. The Workshops are doing important work in inducing poor women to earn their livelihood by honest labour in preference to obtaining a living by begging or more questionable methods.

Owing to the difficulty experienced in securing the services of ladies to form a Committee in Black Town, it was resolved to amalgamate the Black Town and Egmore Workshops from the 1st January 1898. Arrangements have been made for conveying the women who live at a distance from Egmore to their work by tramway. The details of terms on which the amalgamation has been effected are given in the Report of the Egmore Workshop. The thanks of the General Committee are due to the Ladies' Committee

at Egmore for so readily accepting the proposals made and for undertaking the very serious additional labour involved.

The following figures show the number of women employed in the Workshops, with details as to the amounts received by them :—

Mrs. Rowland has very kindly continued to hold a sewing class twice a week in the Christ Church schoolroom, Mount Road. Thirty-two women and girls attend the class. The General Committee made the usual grant of Rs. 18 towards its up-keep.

Registration of the Society under Act XXI of 1860.—In pursuance of a resolution passed at the last Annual Meeting the Society was, on the 22nd October 1897, registered under India Act XXI of 1860, "An Act for the Registration of Literary, Scientific and Charitable Societies, 1860."

Annual Meeting.—His Excellency Sir Arthur Havelock, G.C.M.G., G.C.I.E., Governor of Madras, presided at the seventy-seventh Annual Meeting of the Society, which was held at the Memorial Hall on the 5th March 1897.

Office-bearers.—Mr. C. Michie Smith, Mr. B. H. Chester, and Mr. E. C. Woods Scawen continued in office during the year as President, Honorary Secretary, and Honorary Treasurer, respectively.

Conclusion.—The General Committee desires to thank the Government of Madras for the grant-in-aid without which it would be impossible to carry on this Society ; the Public for their support ; the Members of the Ladies' and the Local Committees for their labours ; the local Press for the gratuitous publications of the Society's advertisements, and for the warm advocacy of the claims of the Society ; and the Chamber of Commerce for the use of its room for the monthly meetings of the Committee.

Bye-laws framed by the General Committee under Rule XI(a).

GENERAL.

I. Persons not usually resident in Madras but coming from a distant station for the purpose of obtaining eleemosynary aid, are not admissible to the benefits of the Society.

II. Persons found guilty of wilful deception, or who shall refuse to work, or to allow their children to work, or who, receiving support from the Society, shall be found begging, or leading a disorderly life, shall be considered to have forfeited their claim to aid from the Society.

III. Members are requested to refer all cases for investigation to the Paymaster of the Local Committee of the District in which the applicant resides. All applications for relief investigated by each Local Committee during the month are to be forwarded to the Secretary to be submitted at the next Meeting of the General Committee.

IV. The rate of allowance to all dependents of the Society shall be fixed by the General Committee with reference to a reasonable subsistence only, and no more.

V. The monthly expenditure for the ensuing half-year shall be limited by the General Committee, subject to such revision from time to time as the state of the funds may require.

VI. The Pension List will be revised half-yearly.

Bye-Laws for the Guidance of Local Committees.

I. Each Local Committee shall meet once a month for the payment of pensioners and for the consideration of applications for relief—the Paymasters to be the convenors.

II. With a view to the prevention of fraud, the Local Committees shall meet on the same day, and at the same hour in each month, for the payment of pensioners.

III. All applications for relief shall be personally investigated and reported upon by a Member of the Local Committee, and shall be forwarded by the Paymaster to the General Committee with the report and the specific recommendations of the Local Committee.

IV. In cases of extreme emergency the Paymasters shall be at liberty to afford immediate temporary relief; but all such instances shall be reported to their respective Local Committees at their next meeting.

V. The disbursements of the Local Committees are not to exceed the gross amount allotted to them by the General Committee.

Casual relief may be given to an individual for one month only. All applications for this must be made, unless in very exceptional cases, on the special form provided for the purpose, countersigned by some member of the Local Committee after personal enquiry into the case. If it is considered necessary to give the same person relief for a longer period, the case should be referred to the General Committee; and in sending in papers a month's allowance may be disbursed in advance as temporary relief.

VI. An investigation into the circumstances of the paupers shall be made by the Local Committees at certain intervals, as they shall deem expedient, with a view to their identification, to the exposure of any imposition, and still further to ascertain whether by the improved condition

of any of their immediate relatives, the Society may not be relieved of the expense of their support.

With this view every case should be reported upon in June and in December.

VII. Each Local Committee will record its monthly proceedings, and also keep a Register of its pensioners, in the books supplied for these purposes.

VIII. On the death of a Society's pensioner, the Paymasters are authorized to incur the necessary expenditure for a plain funeral.

VIII. The Paymasters of the Local Committees will be furnished with blank Returns, one of which will be filled up monthly and forwarded to the Secretary for the information of the General Committee.

X. Local Committees are particularly requested to be most careful in making payments to absentees; no such payments should be made without some Member of the Committee being able to vouch that no fraud is being practised.

REPORT

THE Committee has much pleasure in stating that the financial condition of the Institution at the close of the year 1897 was satisfactory. The year opened with net assets amounting to Rs. 1,746-8-0 and closed with the sum of Rs. 2,462-6-10, shewing an increase to the credit of the Workshop of Rs. 715-14-10.

Sales aggregating Rs. 12,752-10-0 were made during the year, while the total for last year was Rs. 16,199-12-6, shewing a decrease of Rs. 3,447-2-6. This was in a measure

due to the reorganised working of the Black Town Workshop, which, to some extent, drew off customers who formerly dealt with Mount Road, but the latter has however, recovered from that competition.

On the 1st of January there were 73 women on the Roll or 2 less than the maximum number, but these vacancies were filled up in February. Two women left during the year, one in consequence of improved circumstances at home and the other to take up the situation of Pupil Teacher in the Cathedral School. The year closed with 70 women on the Roll. One poor girl died of Cholera in February. The health of the women and children was on the whole most satisfactory.

On the occasion of the Diamond Jubilee of Her Most Gracious Majesty the Queen-Empress, and in common with other similar Institutions, the women and children attached to the Mount Road Workshop were given a substantial dinner consisting of roast beef, and potatoes followed by curry and rice, cakes, fruit, coffee, &c., which they highly appreciated. As usual, on the 7th of October, the Eurasian and Anglo-Indian Association very kindly sent a donation of Rs. 25 which was divided amongst the women.

The Committee has much pleasure in recording that the subscriptions and donations to the Institution were very favorable, the receipts amounting to Rs. 492 during 1897, while the amount received in 1896 was Rs. 354-12-8. The expenditure incurred on account of meals for the women and children was Rs. 811-12-0, schooling for the latter Rs. 137-8 and washing Rs. 144.

Casual Relief was administered by the Committee similarly to last year on behalf of the General Committee, the funds allotted being apportioned after careful enquiry and consideration of each case.

The Christmas subscriptions amounted to Rs. 227 and a grant of Rs. 50 from the Christmas Central Charity Committee brought the total up to Rs. 277.

The usual gifts of clothing and money provided by this fund were kindly distributed by H. E. Lady Havelock on the 24th of December, who, after examining specimens of the needlework congratulated the Committee on having so good a Superintendent, and on the useful work done by this excellent Institution.

Mr. C. Michie Smith having requested the Committee to find another President for the approaching official year, as his numerous duties prevent his continuing in office, a vote of thanks was accorded him for his ready and valuable assistance, and Mr. H. K. Beauchamp, who had been such an excellent President during the year 1895-96, was again asked to accept the office of President, which he kindly did.

The posts of Honorary Secretary and Treasurer were held by Miss E. Isis Pogson throughout the year under report.

The Committee desires to thank all who, by subscriptions and by work given, have assisted this Institution, and earnestly hope that the help so generously afforded in past years will be continued throughout the coming year.

In conclusion, the Committee desires to place on record its high appreciation of the manner in which the duties of the Workshop have been carried out by the Superintendent, Mrs. Dempster, and her Assistant, whose devotion to their work has added very materially towards the successful results of the year.

The Committee have the pleasure of being able to report that the work of the past year has been very satisfactory. The year closed with assets amounting to Rs. 3,487-8-2 as against Rs. 3,157-2-1 last year. The usual statements of account are appended.

At the close of the year there were 75 women on the roll, against 71 at the commencement. During the year some women left to be married or to enter service, a few were dismissed for irregular attendance, and one woman was pensioned. The vacant places were at once filled.

The earnings of the Workshop amounted to Rs. 2,902-0-7 an advance of Rs. 90-13-3 on the figures for the previous year. It may here be remarked that there is always sufficient work on hand for the fine workers; it is for the coarse workers that there is a difficulty in finding sufficient employment.

The subscriptions received from the public during the year amounted to Rs. 542, and the Government Grant on these subscriptions to Rs. 200-6-0. The Christmas donations, which were supplemented by Rs. 50 from the Central Christmas Charity Committee, amounted to about Rs. 193; and the women received their annual Christmas presents of clothing and money. On Jubilee Day the women and children were given a dinner on the Workshop premises, and the women received their Midsummer gifts of dress material.

The Casual Relief Grant having been cut down in July to Rs. 25 a month, the Casual Relief money was from the 1st September distributed amongst the women on a new plan. After allotting the usual allowances for sickness, births, marriages and deaths, help is now given only to those deserving women whose earnings fall below Rs. 3 a month.

The Superintendent, Mrs. Janes, has performed her duties satisfactorily. Mrs. Jervis, the Assistant Superintendent was granted leave in April for a few months on an allowance of Rs. 10 a month, on the understanding that when strong enough she was to return to duty, but in November, without attempting to resume her work, she sent in her resignation, which was accepted by the Committee. Mrs. Janes' grand-daughter, May France, who acted for Mrs. Jervis during her absence, was confirmed Assistant Superintendent on Mrs. Jervis' resignation.

Mr. Michie Smith having resigned the Presidentship of the Ladies' Committee, the Rev. W. F. Archibald kindly consented to be our President. In March, Mrs. Douglas Grant resigned the Honorary Secretaryship as she was leaving for England; Mrs. Allison took it up until June, and was succeeded by Mrs. Bilderbeck in July. Mrs. Watson, the Honorary Treasurer, left Madras in June, and Mrs. Lawson succeeded her and held the Treasurership until October when she was relieved by Mrs. Browne.

The law suit concerning the Workshop premises was concluded in August. The High Court ruled that the widow of the late landlord was to receive the rent from us, until her two sons attained their majority. During the Christmas vacation the premises were repaired and thoroughly white-washed.

On the 29th November a special meeting of the Ladies' Committee was held to discuss the proposals made by the Friend-in-Need Society to amalgamate the Egmore and Black Town Workshops, the Black Town Workshop having to be closed in December, owing to the difficulty of finding a Committee and Honorary Secretary and Treasurer, as the present Honorary Secretary and Treasurer was leaving

Madras. It was resolved that we should amalgamate on the following conditions:—

(1) That Rs. 50 a month be allotted us to cover the rent of additional premises, and cost of additional staff and other expenses; (2) that the Casual Relief Grant of Rs. 20 a month for Black Town be transferred to us, and also Rs. 500 a part of the balance of the Black Town Workshop Funds; also the furniture and cost of moving it from Black Town to Egmore; (3) the cost of repairs not exceeding Rs. 50 to additional premises should be borne by the Friend-in-Need Society; (4) the Friend-in-Need Society should undertake to bear the charges of tramway tickets for the Black Town women from St. Andrew's Church to Popham's Broadway.

In order to carry on our extended work a building adjoining the Workshop has been rented, and an additional staff engaged. Thanks to the kind help of our President, the premises were ready for the amalgamated Workshops of Egmore and Black Town on the 3rd January 1898, when work was resumed after the Christmas vacation.

The Committee tender their thanks to the public for its kind support in the shape of orders and donations, which have enabled them to find constant employment for so many women. They also thank Mr. Leech for so kindly auditing the accounts for 1897.

HON'BLE MR. JUSTICE SHEPHARD.—*President.*

The Committee have the pleasure to submit to subscribers full particulars of financial transactions for the past year in the audited balance-sheet of this Report, and to thank all who have kindly contributed funds and given orders and enabled the Workshop to pay its own rent and keep out of debt.

The number of workers employed at the close of the year was 20, one of the workers was pensioned by the Friend-in-Need Society, one left the shop to be married and another to go up country with her husband. Owing to sickness in the families of some of the workers during September and October, the attendance was very irregular which accounts for the earnings being less than the previous year Rs. 737-6-2 in 1897, as against Rs. 771-7-0. The Friend-in-Need Society's grant for casual relief was distributed after careful enquiry into each case.

The expenditure for food, rewards and sick allowance was Rs. 303-9-3. The half-yearly clothing was given in June, and Miss Gell kindly distributed the usual Christmas

gifts of clothing and money to the workers and establishment on December 23rd, and the workers got a percentage on their earnings during the year. On October 6th, the Eurasian and Anglo-Indian Association kindly sent them Rs. 10 which was divided amongst the workers.

Mrs. Meredith kindly took the Treasurer's work part of the year.

The Committee have to thank Mr. Hall for his kindness in having again audited this year's accounts.

The distribution of Christmas clothing and money was made by Mrs. Penno.

The Committee desire to thank all who, by subscriptions and donations, and by work given, have contributed to the maintenance of this Workshop. They are also indebted to Mr. W. P. Bell for his kindness in auditing the accounts of the Workshop.

Committee.—During the year Mrs. Penny and Mrs. Walker joined the Committee, and Mrs. Brandon, Mrs. Pelly, Miss Walker and Mrs. Walker tendered their resignations. It was with sincere regret the Committee heard in November last from Mrs. Taylor-Mitchell that owing to her departure from Madras she would be compelled to resign the offices of Honorary Secretary and Treasurer at the end of the year. Endeavours were made to get some ladies to join the Committee, but without success. On the 17th November the President addressed the General Committee on the subject, and a Sub-Committee was formed to consider his proposals (1) regarding the closing of this Workshop; (2) the transfer of the workwomen to the Ladies' Committee of the Egmore Women's Workshop upon special conditions. The Sub-Committee reported on 15th December in favour of the closing of the Workshop and transfer of the workwomen, and the General Committee at their meeting of the 20th December accepted the same. The resolution was as follows:—

“Resolved that the recommendation of the Sub-Committee to transfer the Black Town Women's Workshop to the Egmore Women's Workshop on the conditions set forth be approved; and in doing so the Committee offers Mrs. Taylor-Mitchell its hearty thanks for her valuable services to the Black Town Women's Workshop.”

Mrs. Taylor-Mitchell handed over the books and money in hand to the President on the 22nd December, so that he might carry on the duties of Honorary Secretary and Treasurer, close the Workshop, and render the necessary accounts to the General Committee.

REPORT OF THE SUPPLEMENTARY WORKSHOP, CHRIST CHURCH SCHOOL-ROOM, MOUNT ROAD.

FOR 1897.

I am glad to be able to report that the Workshop has continued to do fairly well during the past year—although the year 1896 was slightly more successful than last year. I have been enabled to find occupation and grant pecuniary aid to 32 women and girls who by regular attendance and steady attention to work have been able to earn for themselves a decent remuneration and also to contribute to their Christmas dinner by supplementing the grant allowed me by the Central Charity Committee for the purpose.

I regret to have to repeat my complaint of 1895 that I experienced very great difficulty in procuring patronage, so that the out-turn of work during the first half of the year was very little, which was very disheartening both to myself and to the women and girls. Better success attended my efforts to procure orders for work during the second half, and I am glad to be able to say that there is a small balance in favour of the Workshop in consequence. I trust this helpful feature will continue during the year 1898—My usual balance-sheet is appended, showing a balance of Rs. 13-15-0 on the right side.
