OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Perandum 27/2 March 1898

No. 267

From

SURGEON-MAJOR-GENERAL G. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

Adverting to para 3 of G.O.No.190, Public, dated 2nd February 1898, I have the honour to point out that G.O. No.1003, Public, dated 11th December 1895 was not given effect to on the authority of G.O.No.136, Public, dated 28th January 1896, which distinctly lays down that the rules should not be brought into force until the final orders of Government had been received. Paras 1 and 3 of this G.O.run as follows:-

"1. The rules approved in G.O.No.1003, dated 11th December 1895 should not be published in the -- official gazettes until further orders.

3. The Surgeon-General will take no further steps towards the opening of the Institute pending orders on the proposition statement."

At the instance of the Government of India, the Government then decided to omit the scheme of the Nursing Institute from the proposition statement for the reorganisation of the establishment of the General Hospital and to work the Institute as a private instead of as a Government institution. Proposals for so working it were called for in G.O. No.925, Public, dated 27th August 1896 and sanctioned in G.O.No.114, Public, dated 5th February 1897, the rules promulgated in which took the place of the rules originally framed, which, as explained above had never been given

effect

effect to. This G.O. was received by me on 20th February 1897,
and communicated to the Senior Medical Officer, General Hospital,
on 2nd March 1897. It was received by that officer on the
3rd March 1897 and put into force on the 1st April 1897. Govern-
ment will thus see that there was no unnecessary delay in
carrying out their orders.
