NOTE FOR THE CHIEF SECRETARY.

Please see draft telegram below. It represents what I have ascertained from the Sec. to the S.S. The letter packet is it is submitted necessary because the S.S. may pay ^{to the relatives} the relatives make payments to the relatives of the deceased man. & there will be trouble with the other credits who are said to be names on the other hand it will necessarily be some time before official information as to the estate can be received, so that it seems best to wire now.
