OFFICE OF SURGEON-GENERAL

Madras, 10 March 1898.

From

SURGEON-MAJOR-GENERAL G. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT

SIR,

With reference to G.O. no. 467, Public, da. 28th April 1897 I have the honor to request that the Accountant General may be authorized to pass pay to Retired Military Assistant Surgeons entertained for plague duty, when temporarily employed on ordinary medical duty.

2. Owing to the exigencies of the service it becomes necessary at times to utilize the services of Retired Military Assistant Surgeons for ordinary duties to meet temporary and pressing demands, when no other arrangements are possible, but the Accountant General objects to pass their pay as such employment does not in his opinion fall within the scope of the Government of India order communicated with the G.O. quoted in the beginning of this letter.

3. To avoid such technical objection in future, I request that the scope of the

may be extended so as to meet both special and ordinary duties as has recently been ruled by the Right Honourable the Secretary of State in respect of the ten Temporary Doctors sent out from England. vide G.O. No: 376, Public, dated 7th March 1898.

From

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Public Department.

SIR,

In forwarding letter No 248 dated 18th March 1898 from the Surgeon General with the Government of Madras in which he requests Government to authorize this office to pass pay to retired Military Assistant Surgeons when employed on ordinary Medical duty, I have the honour to invite a perusal of the Government of India letter No 278 Home (Medical) dated 21 April 1897. In the former of these, sanction is conveyed to the employment on plague duty of applicants for appointments in the uncontracted Medical Service and in the latter a similar sanction is given to the resumption on the same duty of retired Military Assistant Surgeons. Neither of the resolutions however appear to cover the arrangement by which the temporary

and Municipal Depart-
ment dated 19 May 97.

Entertained officers are utilized to set free for plague duty permanent men holding regular appointments and in my opinion the approval of the Government of India is necessary to this extension of their orders.

I take this opportunity to point out that the appointment of Dr V.O. Taylor notified at page 68 of the Fort Saint George Gazette dated 8. March 1898 to act as Resident Physician, General Hospital Madras vice Surgeon Captain R. Robertson temporarily transferred to the Government of India Military Department also requires the sanction of the Government of India. The appointment is reserved for Commissioned Medical officers and under the Government of India resolution recorded in Madras Government Order No 16 Public dated 8 January 1896 — Government can in case of extreme urgency appoint temporarily an uncommissioned Medical officer already in the service of Government. Dr Taylor is however not in the service of Government and he does not therefore fulfil the conditions prescribed in the above resolution.

If the ten temporary Doctors referred to in Government Order No 376 Public dated 7. March 1898 are employed in appointments reserved for Commissioned Medical officers, the sanction of the Government of India will also be necessary for a similar reason.

I have the honour to be,

SUBJECT.

Sanction for pay of retired medical pensioners entertained for plague duty when employed on ordinary duty.

FOR ORDERS.

- A. The Surgeon-General in the enclosure to the present current reports that the exigencies of the service ^{Retired Med. Assist. Surgeons} require at times that the ~~extra needs~~ entertained under G.O.No.467, Public, dated 28th April 1897 should be employed for ordinary duties. ~~When this is the case~~ The Accountant-General objects to pass their salaries as he considers India's G.O.refers to medical pensioners employed on plague duty only. G.O. No.684, Public, dated 1st June 1897 corroborates his opinion.
- B. 2. G.O.No.16, Public, dated 8th January 1896 makes India's sanction necessary (i) for Dr. Taylor's appointment in G.O.No.212, Public, dated 5th March 1898, (ii), in case the doctors sent out by the Secretary of State in G.O.No.376, dated 7th March 1898 are employed in appointments reserved for commissioned medical officers.
- E. 3. Submitted that India's sanction for the appointments may be obtained by wire.

P.T.O.

In regard to the
temporary doctors who
have come out from
England the A.G.'s
objection seems somewhat
unreasonable, seeing that
India in its telegram in
G.O. 376 d. 7/3/88
wrote that there have been
being sent out for
"plague & general duty".

Perhaps however it will
save time & correspondence
to ask for India's sanction
by wire.

Draft submitted for
approval.
