Please ascertain if the information is not available in the office, how the Controller of Milly. Accounts came to report the death. The Reverend A. Fennell was, as far as I can make out, an Ecclesiastical (Civil) and not a Military pensioner, but there may have been old rules under which his pension was treated as a Military charge. In any case it seems clear that this is a case of the report of the death of a pensioner. That the routine report should as usual go in Public.

It has been ascertained from the Military Acct Office that the pay & allowances of such Chaplains, who are in Effective service, are debited to the Civil Dept. The deceased was a pensioner & as such was reported on by the milly dept.
