SURGEON-GENERAL WITH THE

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to G.O.No.524, Public, dated 5th April 1898, I have the honour to state that one of the doctors (Dr.Nightingale) recently arrived from England is under orders to Kurnul as an extra Medical Officer. He is, however, detained in Madras under instructions from you until it is known whether or not his services will be required in Bombay. In any case either he or his substitute from Bombay will be sent to Kurnul.

2. Dr.Illingworth who is now doing duty at the General Government Maternity Hospital can be posted to Bellary and Dr.Lusk to Kistna. The latter officer has just proceeded to South Canara to act as District Medical and Sanitary Officer but I have since received a telegram from Surgeon-Captain Donovan from which it appears to me that he has received orders to revert to the Civil so that he will soon rejoin at Mangalore and set free Dr.Lusk.

I have the honor to be,

Sir,

Your most obedient Servant,

C. Sibthorpe

Surgeon-General

with the Government of Madras.

~~His detention was on account of Bombay as India decides whether he is to go to possibly requiring him to be detained in Bombay or not, either he or his substitute death had made Dr. Nightingale's further retention in Madras necessary, and as Kurnool.~~
~~the plague in Bombay is decreasing it is submitted that Dr. Nightingale's services may be utilised in Kurnool.~~

3. Dr. Illingworth's services are reported to be available for duty in

Bellary

formed the Surgeon-General that he has
received orders to revert to civil duty.
This is the only intimation available
about Dr. Donovan's return to civil duty.

for South Canara, where Dr. Lusk (temporary
doctor) is now acting. - When Dr. Donovan
relieves Dr. Lusk the Surgeon-General re-
ports that the latter officer can be posted
