PUBLIC WORKS DEPARTMENT.

Memorandum.

Dated 8th March 1898.

Letter from A.A.G. Malet Esqre., Executive Engineer, Coimbatore Division, to the Superintending Engineer, IV Circle, No. 798 dated 24th February 1898:-

With reference to G.Os. Nos. 2448 W dated 3rd September 1897, 2859 W dated 12th October 1897 and 18th W dated 6th January 1898, I have the honour to enquire whether any other Government Offices require accommodation in the European Jail at Ootacamund.

2. After providing for Offices for,

The Epigraphist
The Sub Registrar
The Geological Surveyor

I find there is still space for two large Offices in the main block of buildings.

3. Extensive structural alterations will be required to convert the cells into rooms suitable for Offices and probably the best plan will be to demolish and reconstruct a considerable portion of the building.

Even if the alterations required can be carried out without demolishing part of the buildings the result will not be very satisfactory.

Endorsement thereon by the Superintending Engineer, IV Circle, No. 122/W, dated 27th February 1898:-

Copy submitted to the Chief Engineer P.W. Department for favour of orders, with reference to G.Os. quoted in the above letter.
