From the Surgeon General with the Government of Madras, dated 29" March 1898 No. 274.

His Excellency the Governor having approved of the deputation of one of the private Doctors recently arrived from England to Kurnool as an additional Medical Officer to prepare for plague arrangements, I have the honour to request that arrangements may be made for providing him with quarters on the lines indicated in G.O. No. 238, L&M, dated 27" January 1898.

2. It is also in contemplation to send another officer on similar duty to Bellary when one becomes available.

Order No. 327 P.Mis., dated 11" April 1898.

Communicated to the Collectors of Kurnool and Bellary.

2. The additional Medical Officer should discharge the ordinary duties of the District Medical & Sanitary Officer, leaving the latter officer to supervise plague arrangements.

3. As the District Medical and Sanitary Officer will, on relief, have to be constantly on tour, the Collector will arrange to supply him with tents in the manner prescribed in Additional Regulation 13. The construction of thatched sheds does not seem necessary just at present.
